More than 100,000 entrepreneurs rely on this book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you

drive your company toward profitability. It will help you: • Avoid the 9 deadly sins that destroy startups' chances for success • Use the Customer Development method to bring your business idea to life • Incorporate the Business Model Canvas as the organizing principle for startup hypotheses • Identify your customers and determine how to "get, keep and grow" customers profitably • Compute how you'll drive your startup to repeatable, scalable profits. The Startup Owner's Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.

At Last! A Beginner's Guide to Newborn Baby Technology You've programmed your DVR, you've installed a wireless Internet connection, you can even check Facebook on your cell phone. But none of this experience will prepare you for the world's biggest technological marvel: a newborn baby. Through step-by-step instructions and helpful schematic diagrams, The Baby Owner's Manual explores hundreds of frequently asked questions: What's the best way to swaddle a baby? How can I make my newborn sleep through the night? When should I bring the baby to a doctor for servicing? Whatever your concerns, you'll find the answers here—courtesy

of celebrated pediatrician Dr. Louis Borgenicht and his son, Joe Borgenicht. Together, they provide plenty of useful advice for anyone who wants to learn the basics of childcare.

So, you're curious. You are on the road to becoming a young adult and it can be a bumpy ride. Your body and your thinking are changing. No doubt you have some questions about the process. I asked kids and their parents what they would like to know more about. Those questions turned into topics, which ultimately turned into this book. Birth of a Teenager: an owner's manual addresses subjects like body image, nutrition,

hormones, vegetarianism, skin care and a whole lot more. Crack it open, you just might get YOUR questions answered. About Corie Goodson Having earned her Master's in Public Health in 1993, Corie has worked as a community health educator, teacher, and wellness speaker for over a decade. She has worked with kids and teens since the 1970's and has seen first hand how negative health trends have affected them into adulthood. "The media bombards us with over 40,000 negative health messages annually and it is having a profound effect on our youth. There's so much confusing information out there. It's enough to drive kids and their parents crazy." Corie's mission is to educate kids and adults alike so that they can make more informed decisions regarding their health, despite the media hype. "I want kids to be more secure in their knowledge so that when misinformation comes their way, they can ask
