"Some of them think 'cause they're superheroes they're above the law. It's my job to change their thinking. Sometimes this can prove fatal." In a twisted, decadent future not so far away, the city once called San Francisco is now a war zone. The

government has commissioned living weapons of mass destruction to wage war on terror. The survivors return home broken, bitter, insane - and almost unstoppable! Some form gangs, some go psycho. Some turn into A-list celebrities with A-bomb fists. Only one man knows the dark secrets these so-called "heroes" are hiding. Only one man has the power to take on America's best and brightest and bring them to justice. His eyes will reflect the rocket's red glare. He is the

twilight's last gleaming. He is... **MARSHAL LAW!** At long last, Top Shelf presents a revolutionary epic over twenty years in the making: *The Marshal Law Omnibus*, a super-deluxe, one-volume, full-color, 512-page definitive collection of the groundbreaking series by British comics legends Pat Mills (Judge Dredd) and Kevin O'Neill (League of Extraordinary Gentlemen). Marvel Black Panther was the first black superhero in mainstream comic books, and his most iconic adventures are analyzed here. This collection of new essays explores Black Panther's place in the Marvel universe, focusing on the comic books. With topics

ranging from the impact apartheid and the Black Panther Party had on the comic to theories of gender and animist imagery, these essays analyze individual storylines and situate them within the socio-cultural framework of the time periods in which they were created, drawing connections that deepen understanding of both popular culture and the movements of society. Supporting characters such as Everett K. Ross and T'Challa's sister Shuri are also

considered. From his creation in 1966 by Jack Kirby and Stan Lee up through the character's recent adventures by Ta-Nehisi Coates and Brian Stelfreeze, more than fifty years of the Black Panther's history are addressed.
