The untold coming-of-age story from a contemporary comics master
Marble Season is the all-new semi-

autobiographical novel by acclaimed cartoonist Gilbert Hernandez, author of the epic masterpiece Palomar, and co-creator of the groundbreaking Love and Rockets comic book series, along with his brothers Jaime and Mario. Marble Season is his first book with D&Q. It tells the untold stories from the American comics legends' youth, but also portrays the reality of life in a large family in suburban 1960s California. Pop-culture references—TV shows, comic books, and music—saturate this evocative story of a young family navigating cultural and neighborhood norms set against the golden age of the American dream and the silver age of comics. Middle child Huey stages Captain America plays and

treasures his older brother ' s comic book collection almost as much as his approval. Marble Season subtly and deftly details how the innocent, joyfully creative play children engage in (shooting marbles, staging backyard plays, and organizing treasure hunts) changes as they grow older and encounter name-calling naysayers, abusive bullies, and the value judgments of other kids. An all ages story, Marble Season masterfully explores the redemptive and timeless power of storytelling and role play in childhood, making it a coming-of-age story that is as resonant with the children of today as the children of the 1960s.
