We've added hundreds of new labor operations-including maintenance services and electronic system diagnosis to the Chilton 2007 Labor Guide Manuals. All labor times for the 1981 through 2007 domestic and imported vehicles consider the real world environment in which technicians work. The parts terminology is more standardized across different OEMs to simplify reference. You can reference any of three labor times for many models: Chilton's Standard and Severe Service times, plus OEM warranty time. Each OEM is arranged alphabetically by section for easy reference, and improved indexing means easier access to today's repair industry standards. Chilton labor times are

accepted by most insurance and extended warranty companies. Vehicle makes and models conform to current Automotive Aftermarket Industry Association standards. Make sure you have the latest edition of these manuals because our experts have updated hundreds of labor times for earlier models as well!
