Actually I had my Mokka in today for it's 1st annual service and took it to Perrys in Swinton, dropped it off at 9.30am & collected at 12.00. They did the service + reprogrammed the headlights (factory recall), gave me 1litre of engine oil oil to top up when required and also gave me a couple of ice scrapers for the windows.

If your cap is good and is correct one, lots of aftermarket caps are useless so it has to be the correct one preferably motorcraft. If that 's good it 's the neck seal, over here autozone and advance autoparts always have them in stock that will tell you something.
How to Reset the ECU (Service Engine Soon Light) on a ...
A couple of days ago my service engine soon light came on, and i noticed that there was no check engine light in the dash (or i missed it). Is the service engine soon light actually the check engine light??? Or it is just a light set on a timer to get your car fixed at regular times? I have an 02 maxima se if this helps anybody.
Service engine soon?? - Mustang Owners Club of Great Britain
O.K., I changed the oil, oil filter, water seperating oil filter and filled it up with

efi mix, connected an external tank with efi mix and warmed back up to add anti-freeze. Got a Service engine soon light, turned off, rechecked oil level, it was just under the minimum level, added oil to midran...
