More than 100,000 entrepreneurs rely on this book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you:

- Avoid the 9 deadly sins that destroy startups' chances for success
- Use the Customer Development method to bring your business idea to life
- Incorporate the Business Model Canvas as the organizing principle for startup hypotheses
- Identify your customers and determine how to "get, keep and grow"

customers profitably • Compute how you'll drive your startup to repeatable, scalable profits. The Startup Owner's Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.

This updated and expanded version of the bestselling *More Speaking of Sex*, continues to deliver no-nonsense facts in a humorous yet scientific manner. With new chapters related to the Internet, and multi-faiths, parents will find the latest and greatest information about sexual health. Meg Hickling gently dispels misconceptions and unhealthy beliefs about sex by telling even more humorous stories from over 25 years of

experience working with children, families, teachers, and other professionals. Hickling touches on the physical, intellectual, emotional, and spiritual aspects of sexuality - a "whole" person approach to sex. She knows that many parents had no information given to them by their parents, their churches, or their schools, when they were growing up, and Hickling hopes this book will provide the knowledge parents need. Hickling provides age-appropriate information, guidelines on how to talk with children at various stages of their development, and examples of how to answer tough questions.
