Life of Pi

A hilarious, entertaining, and illuminating compendium of the most bizarre ways you might become a federal criminal in America—from mailing a mongoose to selling Swiss cheese without enough holes—written and illustrated by the creator of the wildly popular

@CrimeADay Twitter account. Have you ever clogged a toilet in a national forest? That could get you six months in federal prison. Written a letter to a pirate? You might be looking at three years in the slammer. Leaving the country with too many nickels, drinking a beer on a bicycle in a national park, or

importing a pregnant polar bear are all very real crimes, and this riotously funny, ridiculously entertaining, and fully illustrated book shows how just about anyone can become—or may already be—a federal criminal. Whether you're a criminal defense lawyer or just a self-taught expert in outrageous offenses, How to

Become a Federal
Criminal is your
wonderfully weird
window into a
criminally
overlooked sector
of American
