Miniature Dachshund will be the best choice for you and your family. Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the Miniature Dachshund's life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not this dog is the breed for you. If you already have a Miniature Dachshund, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone

*Haynes Mini 1969 to 2001 Up to X Registration*  
Zoodoo Publishing  
Packed full of advice and information, The Pony and Mini Pony Owners Manual offers the first time pony owner a step by step progression from the first enquiry through to purchase and care of their animal. This book takes the reader through the different stages of buying or loaning a pony and then covers all the requirements essential for care whether the pony

is being kept on a livery yard or at home. This book covers all bases - feeding, watering, grooming, grassland management, veterinary care, breaking in a young horse, travelling and transport and saying goodbye - so that the reader can understand the challenges and excitement of owning a pony. It is written very much with the first time owner in mind from a writer who is very experienced at distilling sometimes complex and

---

overwhelming information and presenting this to someone new to the subject. This book does not intend therefore to be an authoritative guide but does set out the parameters of horse ownership in a very practical and constructive way. A very useful guide to anyone thinking of buying a pony. There are interesting anecdotes and references to the wider equestrian world which is a benchmark of the writer's experience. All in all, an excellent introduction to the concept of new

pony ownership and everything that this can involve. Covered in this book: - Which pony to buy - Where to buy - Trying ponies before purchase - Vetting - Bringing home your pony - Grassland and stabling - Exercise and ridden work - Caring for your horse - Grooming - Feeding - Daily routine - Weekly routine - Monthly routine - Minor ailments - Costs - Travelling .... and much more
