Practical English Usage (Fourth

Edition), OUP 2016 | MET The authority on English grammar and indispensable for any English language teacher, this book is a must. References

are NOT of page numbers but paragraph sections and so the format, at first, can be off-putting. But once a person gets the hang of it, it is the best guide for

English grammar I know of. The way it is organised - alphabetically ... Grammar Scan: Diagnostic Tests for Practical English Usage ... Practical English Usage is a title which needs little introduction. Now in its fourth edition it has long been the go-to book for students and teachers struggling to get to grips with the trickier grammar points. So how has such a popular title been improved since the third edition in 2005? The biggest change is in the format.

Oxford Practical

English Usage 3rd
Given that this is the fourth edition of Practical English Usage (henceforward: PEU), my first instinct while preparing to write this review was to go and search for the ELTJ reviews of the former three. To my amazement, I have discovered that there are none. The lack, to my mind at least, is not a case of a major oversight, but rather a reflection of the unique status of PEU as one of the few ...
