Solutions. Pre-intermediate. Student's Book-Workbook. Con CD Audio. Per Le Scuole Superiori Oxford University Press

This is a five-level general English course for 14-19 year-olds.

Matura Solutions OXFORD University Press
Nine units per student book, each with eight lessons
A broad range of lesson types focusing on key skills, including vocabulary, grammar, reading, speaking, and writing, all with 100% new content
NEW listening and word skills lessons help develop confident communicators
Exam skills trainer sections prepare students for typical school-leaving/Cambridge tasks, and provide them with the language, strategies, and exam skills they need to achieve success
Extra speaking task sections provide additional opportunities for speaking practice
Grammar builder pages with each unit provide extra practice exercises for students who need additional support
Grammar reference pages allow learners to check grammar rules
Vocabulary builder with each unit allows

students to learn and practice new vocabulary
Culture Bank includes 9 ready-to-use culture lessons linked to the topic and language of the main units, providing extra reading and listening practice

Solutions: Advanced: Student Book

A three-level series where students learn and practise grammar in everyday contexts.
Oxford Living Grammar takes a practical approach to grammar. The four-page units provide clear explanations and information on when the grammar is used, followed by extensive practice. Each level includes an interactive CD-ROM.

The Solutions 2nd Edition Teacher's Book provides a comprehensive package to support Solutions teachers, and is perfect for mixed-ability classrooms.

Solutions: Pre-Intermediate: Workbook

"The Israeli-Palestinian peace process is the story of the defining failure of the entire two-state peace paradigm, a rote religion that still dominates the international discourse on Palestine. In its two first parts - Anatomy of a Seminal Mis-encounter and A Savage War for Peace - this book is an insider account of the July 2000 Camp David summit and the negotiations that followed it, amid the Second Intifada, the cruelest war on Palestine since 1948, until the last days of Bill Clinton's presidency. Clinton's Peace Parameters were the "final product" of that endeavor. The failure of Camp David is also explained through the drama of the interplay between its main actors, Ehud Barak, Bill Clinton and Yasser Arafat. The Third Part -Defying the

Imperatives of Conflict Resolution - comprises six chapters that offer an interpretive account of all peace negotiations to this day; a description of the occupation's traits of permanence; the inherent contradictions of the two-state solution; a scrutiny of ominous alternatives such as the binational state, an Israeli unilateral pullout from much of the West Bank and Donald Trump's Deal of the Century; and a discussion of the "Jordanian option", a solution with a long pedigree here revisited. Underlining the singularity of the Israeli-Palestinian conflict, the last essay examines it in a broad comparative perspective. The Epilogue addresses the consequences of Israel's supposed defeat of the Palestinian national movement on her moral profile and international

standing"--
