Godsmack's
founder and
front man Sully

Erna has been immersed in the world of rock ever since he got his first drum set. Given his achievements, that early start might suggest that his career was a straight shot to the top. The

truth is, Erna took so many detours during the years between his first instrument and Godsmack's first contract that, more than once, he nearly forgot his destination. In *The Paths We Choose*, he relates the

turbulent story of his life before the platinum albums and packed arenas. Sully's story shows us that whatever hardship we may face, ultimately, our choices determine our destiny. He's made the most of every advantage and obstacle he has faced, and reminds us that we can, too. For Sully, success is not an ultimate destination. Every day brings a new fork in the road, another path to choose. The Paths We Choose Palgrave

This essay collection

explores the

"photographic turn" in
oral history.

Contributors ask how
oral historians can best
use photographs in

their interviewing
practice and how they
can best understand
photographs in their

interpretation of oral
histories. The authors
present a dozen case
studies from Australia,
Brazil, Canada,

Germany, the United
Kingdom, and the

United States. In
exploring the
intersection of oral
history and

photography, they
complicate and move
beyond the use of
photographs as social
documents and
memory triggers and
demonstrate how
photographs frame
oral narratives and how
stories unsettle the
seeming fixity of
photographs ' meanings.
