Porsche Boxster and Cayman follows the design and development of this mid-engined sports car and coupe family, from their origins in the company's concerted racing activities in the 1950s and 1960s, to the drawing board, launch and systematic evolution through successive model ranges from 1996 to 2016. There are detailed profiles and evaluation of all Boxster and Cayman derivatives, including 986, 987, 981 and 718. Specifications of the various models are given including entry-level, S, GTS and GT-4. The special Limited Editions, such as the 550 Spyder 40th Anniversary models are also included. The book covers some of the author's international driving experiences at the wheel of Boxster and Cayman including the Bilster Berg race circuit and Tour Auto. There is also an intriguing interview with successful racer Rebecca Jackson, who describes the techniques of Boxster racing and demonstrates the versatility of this best-handling of all Porsche sports cars and an interview with Porsche design chief Harm Lagaaaj.

The book will be of great interest to all motoring enthusiasts and historians and is illustrated with 400 colour photographs, many specially commissioned.

-The first comprehensive homage to the Porsche R and RS models -From the first 911 R (1967) through the varying RS models, to the latest 911 R (2016) -Includes interviews with enthusiasts, racing drivers and customers -Presents portraits of unique collectors' items and race histories -Celebrates the 50th Anniversary of the Porsche 911 R in 2017 Porsche's sporting elite - the 911 R - more performance, less weight. As the first comprehensive homage to the R and RS models, this is a must-have for all Porsche 911 lovers. At auctions they rack up premium prices, but the makers of the 911 R never intended to create objects of speculation for maximum profit. Their main concern was developing vehicles that would appeal to customers because of their uncompromising sportiness. The story begins 50 years ago, when the first Porsche 911 R achieved five new long-distance world records in Monza; and goes on to the latest 911 R - a car that is aware of its history, with racing stripes, houndstooth bucket seats, manual gear change, and a free-revving naturally aspirated engine. In between the first and the latest lie 50 years, numerous models, and a legion of fans.
