When I started Pacific, I had trouble getting into Drury's staccato prose of carefully-honed short sentences. Each sentence stands on its own, expressing a pointed observation or a short snippet of dialogue. Ostensibly, this is a story in two towns: Los Angeles and Stone City, a small town in the upper midwest.

In a triumphant return to the characters that launched his career two
decades ago, Tom Drury travels back to Grouse County, the setting of his
landmark debut, *The End of Vandalism*. Drury's depictions of the stark
beauty of the Midwest and the futility of American wanderlust have
earned him comparisons to Raymond Carver, Sherwood Anderson, and
Paul Auster.
