**The Adventurer's Guide to Treasure (and How to Steal It)** The Adventurer's Guide to Treasure (and How to Steal It)  
We are created to be Seekers. According to Jesus, seeking His Kingdom is the only quest that truly matters. Jesus refers to His Kingdom as a treasure hidden in a field and a pearl of unmatched value, and He instructs us to sell all we have in this world to purchase the field and the pearl. God provides us with a map to His Kingdom treasures in Scripture. Through parables and other teachings, and through the example of His life, Jesus reveals the nature, qualities, characteristics, and locus of His great treasures. This book draws on all the resources in Scripture to create a treasure map - a guide to seeking the Kingdom of God. As you read, you are taken on a quest to find your true identity, to reclaim your authority, to experience His indwelling Spirit more fully, to better understand and receive His protection, to celebrate your sanctification, to receive God's wisdom, to delight in the true freedom of His love, and to live in the Kingdom of God now. I pray, at

the end of this quest, fear and shame will no longer dictate your choices, and you will find yourself more intimately connected to Jesus, more aware of who you are in Christ, more grounded and strengthened to stand in His authority, more confident in your position as heir to His Kingdom, and more certain of His love for you. If you follow the treasure map, you will be well on your way in your quest to seek the Kingdom life.

Sometimes hard or even horrendous events come into our lives that cause us to wonder if God really even cares and if there really is a purpose behind our pain. Treasure in the North Tower explores these questions in a story of love, loss, mystery, and intrigue as it follows a young woman named Judith Hunter through several unforeseen events that alter the course of her life forever. While struggling to cling to her beliefs and overcome her own doubts, Judith meets a handsome FBI agent named Jack Connors, who has lost all faith in God. Jack's wife had been murdered five years earlier in an unsolved museum heist. As a result, Jack abandoned his faith and coped with his loss by burying himself in work, but when artifacts from the museum heist are discovered in a tower of Judith's new home, the two find out firsthand that Romans 8:28 is true. God really does work all things together for good to them that love him.

There are some who might say adventure is a young mans gamebut is age the only indicator of youth? Can someone be brave and wild at an older age, as well, especially if filled with passion? Along the beaches of the Dead Sea,

a group of varied archaeologists come together to seek adventure, no matter the cost. Jon and his team are mostly young, but aging Professor Craft isn't one to let the young people take charge. It's been years since his last big find, and he's hungry for glory once again, perhaps in the form of a Dead Sea Scroll. But the team soon stumbles upon ancient puzzles and mystery that could very well end in death. The professor might be weaker in body but he is strong in mind and wiser than his younger cohorts. As the dig unearths secret after secret, he feels a great find is close at hand. Yet, how far are these scientists willing to go to be the one to make the big discovery? Will ambition and intrigue turn to murder in the name of greed?

Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel." —New York Times \*Includes a double bonus: an excerpt from Small Steps, the follow-up to Holes, as well as an excerpt from the New York Times bestseller Fuzzy Mud.

Fantasy gets a clever refresh in the final book of this witty, action-packed, and hilarious middle grade adventure trilogy. At Saint Lupin's Completely Ordinary School Where Nothing Bizarre Ever Happens Most Especially Not Illegal Quests That Destroy Famous Landmarks, students are not taught about pirates. They're not taught how to identify them, how to befriend them, or even how to fight them...which leaves the school completely open to pirate invasion. And on the first day of classes, that's precisely what happens. When a pirate captain and her crew steal an ancient Prophecy Medallion, Anne, Penelope, and Hiro are caught up in yet another adventure. After accidentally activating a quest, Anne and her friends have no choice but to complete the task and deliver the medallion to the supreme pirate ruler, Octo-Horse-Pirate. But the quest and the medallion are not what they seem, and Octo-Horse-Pirate is no run-of-the-mill villain. To complete the quest, Anne will have to uncover the truth about her mysterious past-and, just maybe, save the whole world in the process. Filled to the brim with heart-pounding action, miniature dragons, attacking chickens, and (sometimes friendly) pirates, The Adventurer's Guide to Treasure (and How to Steal It) is a laugh-out-loud, fast-paced adventure that will leave you breathless.
