Johan had come to that stage in life when the children moved out and he found the existence unbearable structured and dreary in his meager emotionally inhibited life in marriage. One day a letter arrived from the labor office about a job as a data administrator on a dating site that he was invited to search, but to top it all even practicing how dating worked concretely, otherwise he risked losing the UIF. Thus he had contact with many young striking ladies in East Asia, mainly in the Philippines and decided with irrefutable determination to divorce her and leave the celibacy Sweden for a long-standing, partly risqué, but otherwise very exciting stay in the Philippines, Thailand and Malaysia. The book's action is based on a true story.

This book is based on the life of a commercial diver working in the oil and gas industry from the cowboy days of the early 1980s around Asia, India, Australasia, and Africa to the safety-orientated twenty-first century in the North Sea and Gulf of Mexico. You will travel with the characters that work in this world and see the countries that they visit. It ' s a wild and dangerous job, and most people would struggle to get their head around the fact that people actually do this for a living. But that ' s not all. You also get to travel with a traveller, who, when not submerged under the water building or fixing oil fields, is sitting on

a surfboard riding the waves that he dreamt about when he was growing up. This is proof that dreams can turn into reality if you want to push yourself over the edge of your safety zone. Dreams become reality if you work on it and face your fears. Give it a shot and see how you go.

Whether you're a longtime outdoorsperson looking to get your kids involved in the activities you loved B.C. (Before Children), or have no outdoor experience but want to enjoy a new sport alongside your children, Extreme Kids will take the whole family on an adventure. Learn the basics of outdoor sports, some extreme (whitewater rafting, kiteboarding, backcountry skiing), and some less so (day hiking, peak bagging, flatwater canoeing), and how to share them with your kids. The book also includes practical and philosophical reasons for family outdoor adventuring. It's never too early to hit the trail (or the river, or the vertical wall) with your kids--each section has an easier version of an extreme sport to get the family's feet wet before diving in.
