**L?la** Nickelodeon Publishing Mario Bellatin's complex dreamscape, offered here in a brand-new translation, presents a timely allegorical portrait of the body and society in decay, victim to inscrutable pandemic. In a large, unnamed city, a strange, highly infectious disease begins to spread, afflicting its victims with an

---

excruciating descent toward death, particularly unsparing in its assault of those on society's margins. Spurned by their loved ones and denied treatment by hospitals, the sick are left to die on the streets until a beauty salon owner, whose previous caretaking experience extended only to the exotic fish tanks scattered among his workstations, opens his doors as a refuge. In the ramshackle Morgue, victim to persecution and violence, he accompanies his male guests as they suffer through the lifeless anticipation of certain death, eventually leaving the wistful narrator in complete, ill-fated isolation.

No doubt about it, Lindgren has joined the ranks of the greatest writers" Michel Crepu, La Croix The woman had come from a city in the south to lecture in a small

village amid the snowbound forests of northern Sweden. She was a writer. After the lecture in the village hall an old man who had been sleeping at the back introduced himself, as she was to be his guest for the night. So it was that she moved in with Hadar, a man who lived on his own and was in the last stages of cancer. Not another house in sight, save for one just a field away; there lived Hadar's brother Olof, also on his own, and dying of heart disease. Neither brother would consent to die, the woman discovered, for that would give the other the satisfaction of outliving him. Cut off by a snow blizzard, the woman settles into Hadar's attic, leaving only to pick her

way across to Olof's, and in the days that follows she acts as both nurse and confessor to each of them. She learns of the woman they shared and the son of disputed paternity, uncovering the tissue of lies and self-deceptions that keeps the ailing brothers alive in a bond of mutual loathing. Ultimately to her roles of nurse and confessor she adds a third: the hand of Providence . . . The author of *The Way of a Serpent and Light* is one of Sweden's outstanding practitioners of black humour. In *Sweetness* he has achieved a work of brilliant comic invention.

A restlessness born of guilt and despair leads Ravi to embark on a journey that ends in the remote village of Khasak in the picturesque Palghat countryside in Kerala. A land from the past, potent with dreams and legends, enfolds the traveller in a powerful and

---

unsettling embrace. Ravi is bewitched and entranced as everything around him—the villagers; their children whom he teaches in a makeshift school; the elders who see him as a threat; the toddy-tappers; the shamans—takes on the quality of myth. And then reality, painful and threatening, begins to intrude on the sojourner's resting place and Ravi begins to understand that there is no escape from the relentless dictates of karma... Often poetic and dark, always complex and rich, *The Legends of Khasak*, O.V. Vijayan's much-acclaimed first novel, translated into English by the author, is an extraordinary achievement

"Through a seeming act of providence, an old couple receives a day-old female goat kid as a gift from the cosmos. Thus begins the story of Poonachi, the little orphan goat, who survives against the odds and carries the burden of being different

all her life long. As you follow her story from forest to habitation, independence to motherhood, you recognise in its significant moments the depth and magnitude of your own fears and longings, fuelled by instinct for survival that animates all life."--Provided by publisher.

**Poonachi, Or, the Story of a Black Goat** Random House

On 6 December 1959, Prime Minister Jawaharlal Nehru went to Dhanbad district in Jharkhand to inaugurate the Panchet Dam across the Damodar river. A fifteen-year-old girl, Budhini, chosen by the Damodar Valley Corporation welcomed him with a garland and placed a tikka on his forehead. When these ceremonial gestures were interpreted as an act of matrimony, the fifteen-

---

year-old was ostracized by her village and let go from her job as a construction worker, citing violation of Santal traditions. Budhini was outlawed for 'marrying outside her community'. Budhini Mejhan's is the tale of an uprooted life, told here through the contemporary lens of Rupī Murmu, a young journalist distantly related to her and determined to excavate her story. In this reimagined history, Sarah Joseph evokes Budhini with vigour, authority and panache, conjuring up a robust and endearing feminine character and reminding us of the lives and stories that should never be forgotten. Translated by her daughter, Sangeetha Sreenivasan, a fiercely

individualistic novelist herself, Sarah Joseph's Budhini powerfully invokes the wider biopolitics of our relentless modernization and the dangers of being indifferent to ecological realities.
