Interned in Germany Wiley Winner of the 2016 Lambda Literary Award for Bisexual Fiction “ I read The Life and Death of Sophie Stark with my heart in my mouth. Not only a dissection of genius and the havoc it can wreak, but also a

thunderously good story. ” —Emma Donoghue, New York Times bestselling author of Room “ This novel is perceptive, subtle, funny and lingers in unexpected ways. The analysis of a woman who puts her art above all else is equal parts inspiration and warning story. Anna North makes prose look easy. ” —Lena Dunham Gripping and provocative, The Life and Death of Sophie Stark is a haunting story of fame, love, and legacy told through the propulsive rise of an

iconoclastic artist. Sophie Stark begins her filmmaking career by creating a documentary about her obsession, Daniel, a college basketball star. But when she becomes too invasive, she finds herself the victim of a cruel retribution. The humiliation doesn ' t stop her. Visionary and unapologetic, Sophie begins to use stories from the lives of those around her to create movies, and as she gains critical recognition and acclaim, she risks betraying the one she loves most. Told

---

in a chorus of voices belonging to those who knew Sophie best, *The Life and Death of Sophie Stark* is an intimate portrait of an elusive woman whose monumental talent and relentless pursuit of truth reveal the cost of producing great art. It is “ not only a dissection of genius and the havoc it can wreak, but also a thunderously good story ” (Emma Donoghue). *The Ghost in the Sloss Furnaces* Createspace Independent Publishing Platform Mooring is one of the most

complex and dangerous operations for ship and terminal crew. If something goes wrong, the consequences can be severe. *Effective Mooring* gives crew a general introduction to mooring and guidance on how to stay safe during mooring operations. It is written in an easy-to-understand style for seafarers worldwide and can be used as a training guide for both new and experienced crew. Produced by the Oil Companies International Marine Forum (OCIMF), the book is written for crew on board oil tankers, barges and terminals, but the principles can be applied to any vessel.

the Golden Gate Bridge to Mexico, with special attention given to the popular offshore islands between Point Conception and San Diego. Brian Fagan draws upon more than three decades of experience sailing those waters under all conditions to offer the definitive cruising guide for both sailors and

powerboaters. *Introduction to Information Retrieval Akashic Books* Sustainable Lens traces the development of sustainability through its representation in diagrams. Sustainable Lens presents a model for seeing the world through a sustainability-driven perspective.

Sustainable Lens is laid out in such a way that it can be read from cover-to-cover or opened at a particular page or diagram that draws your interest. The diagrams are featured on the right-hand side so as to celebrate their elegance. Sustainable Lens will act as a source book for those involved in

---

communicating sustainability (including designers, teachers, scientists, policy makers) and others who seek insights about the concept and practice of sustainability. We started with a visualisation challenge. We finish with a bigger challenge. As you go about your life, stop

occasionally, put up development of a frame (thumbs and fingers work well), and ask yourself how much difference you could make by seeing this scene through a Sustainable Lens? **Adobe Illustrator 8.0** Createspace Independent Publishing Platform "Staff from smaller airports typically lack specialized expertise in the negotiation and

airport property or the resources to hire consultants. ACRP Research Report 213 provides airport management, policymakers, and staff a resource for developing and leasing airport land and improvements, methodologies for determining market value and appropriate rents, and best practices

---

for negotiating and re-evaluating current lease agreements. There are many factors that can go into the analysis, and this report reviews best practices in property development."--Foreword.

Yvain John Wiley & Sons

On the heels of the stunning success of the award-winning Brooklyn Noir, here comes the second

volume of this groundbreaking series of original noir anthologies. The city of Chicago has spent much time and money over the last decade marketing itself as a tourist-friendly destination for the whole family. The stories in this anthology reclaim a Chicago where people struggle to survive and where, for many, crime is

the only means for their survival - a Chicago once depicted by James Farrell and Nelson Algren.

Forbes Random House Gain the knowledge and tools to deliver compelling mobile phone applications. Mobile and wireless application design is complex and challenging. Selecting an application technology and designing a mobile application require an understanding of the

---

benefits, costs, context, and restrictions of the development company, end user, target device, and industry structure. Designing the Mobile User Experience provides the experienced product development professional with an understanding of the users, technologies, devices, design principles, techniques and industry players unique to the mobile and wireless space. Barbara Ballard describes the different

components affecting the user experience and principles applicable to the mobile environment, enabling the reader to choose effective technologies, platforms, and devices, plan appropriate application features, apply pervasive design patterns, and choose and apply appropriate research techniques. Designing the Mobile User Experience: Provides a comprehensive guide to the mobile user experience, offering guidance to help make

appropriate product development and design decisions. Gives product development professionals the tools necessary to understand development in the mobile environment. Clarifies the components affecting the user experience and principles uniquely applicable to the mobile application field. Explores industry structure and power dynamics, providing insight into how mobile technologies and platforms become available on current
