In this book we give you all the essential information that you will need to successfully pass the certification course and exam on your first attempt. Joe and I have been teaching this course to healthcare professionals and students since 1984. We know what works and what doesn't when it comes to helping our students be successful. We had to develop almost all of the study materials for our students by ourselves because very little existed at the time. The Zombie Notes Study Charts were some of the first study aids we developed to help our students learn a large amount of information very quickly. We know that this format works very well because hundreds of thousands of healthcare professionals and students, in hospitals and colleges all over the world, have used this handy, no-nonsense chart to help them successfully pass the ACLS certification exams. Therefore, in order for you to be successful on the certification exam, and on the job, we expect you to memorize every bit of information contained within the Zombie Notes Study Charts and within this book. It is essential that you know this information by heart and can recall it at a moment's notice. This information is not only essential for the exam, but for your career, and the survival of your patients, as well.

American Pastoral is the story of a fortunate American's rise and fall—of a strong, confident master of social equilibrium overwhelmed by the forces of social disorder. Seymour "Swede" Levov—a legendary high school athlete, a devoted family

man, a hard worker, the prosperous inheritor of his father's Newark glove factory—comes of age in thriving, triumphant postwar America. But everything he loves is lost when the country begins to run amok in the turbulent 1960s. Not even the most private, well-intentioned citizen, it seems, gets to sidestep the sweep of history. With vigorous realism, Roth takes us back to the conflicts and violent transitions of the 1960s. This is a book about loving—and hating—America. It's a book about wanting to belong—and refusing to belong—to America. It sets the desire for an American pastoral—a respectable life of space, calm, order, optimism, and achievement—against the indigenous American Berserk.

Caitlin's class wrote to an unknown student somewhere in a distant place. Martin was lucky to even receive a pen-pal letter. There were only ten letters, and fifty kids in his class. But he was the top student, so he got the first one. That letter was the beginning of a correspondence that spanned six years and changed two lives. In this compelling dual memoir, Caitlin and Martin recount how they became best friends--and better people--through their long-distance exchange. Their story will inspire you to look beyond your own life and wonder about the world at large and your place in it.
