Ogrodu. Tom

governed the vampire world have begun to collapse under the weight of a terrible new threat: Humanity has seen the truth. The Vatican unleashes a terrible religious furor upon them, and the Nighters are helpless to fight back. Their own rules forbid them from killing humans. All they can do is try to save the renegades from their own fearsome predatory instincts, before it's too late for all of them. The problem is, those who

choose their own path through the night refuse to talk to the Nighters, and both are caught up in the desperate struggle to survive. Even in the deepest pits of despair, drowning on a sea of hatred, the seeds of hope begin to sprout. The end is only the beginning. Perhaps there is something beyond what the eye can see. Perhaps... there is destiny?

Restless Books

"Love The Wheel of Time? This is about to become your new favorite series." --B&N SF & Fantasy Blog A young man with forbidden magic finds himself drawn into an ancient war against a dangerous enemy in book one of the Licanus Trilogy, the series that fans are heralding as the next Wheel of Time. As destiny calls, a journey begins. It has been twenty years since the godlike Augurs were overthrown

and killed. Now, those who once served them -- the Gifted -- are spared only because they have accepted the rebellion's Four Tenets, vastly limiting their powers. As a Gifted, Davian suffers the consequences of a war lost before he was even born. He and others like him are despised. But when Davian discovers he wields the forbidden power of the Augurs, he and his friends Wirr and Asha set into motion a chain of events that will change everything. To the west, a young man whose fate is intertwined with Davian's wakes up in the forest, covered in blood and with no memory of who he is... And in the far north, an ancient enemy long thought defeated begins to stir. The Licanus Trilogy is a series readers will have a hard time putting down--a relentless coming-of-age epic from the very first page. "Storytelling assurance rare for a debut . . . Fans of Robert Jordan and Brandon Sanderson will find much to admire."-- Guardian The Licanus Trilogy The Shadow of What Was Lost An Echo of Things to Come The Light of All That Falls Futu. Re Macmillan "A breathtaking new epic fantasy series. Morgan Rice does it again! This magical saga reminds me of the best of J.K. Rowling, George R.R. Martin, Rick Riordan,

youngest of four, But King's Court has a special gift,
the least favorite of is rife with its own and a special

destiny. Against all odds he falls in love with the king's daughter, and as their forbidden relationship blossoms, he discovers he has powerful rivals. As he struggles to make sense of his powers, the king's sorcerer takes him under his wing and tells him of a mother he never knew, in a land far away, beyond the Canyon, beyond even the land of the Dragons. Before Thorgrin can venture out and become the warrior he yearns to be, he must complete his

training. But this may be cut short, as he finds himself propelled into the center of royal plots and counterplots, ones that may threaten his love and bring him down—and the entire kingdom with him. With its sophisticated world-building and characterization, *A QUEST OF HEROES* is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception,

ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 82,000 words. Book #2 in the series, *A MARCH OF KINGS*, is now available, too. and complex characters, RISE OF THE DRAGONS is a sweeping, romantic saga of knights and warriors, of kings and lords, of honor and valor, of magic, action, adventure, destiny, sorcery, monsters and dragons. It is a story of love and broken hearts, of deception, of ambition and betrayal. It is fantasy at its finest, inviting us into a world

that will live forever, one that will appeal to all ages and genders. Book #2 in KINGS AND SORCERERS is also now available! "RISE OF THE DRAGONS succeeds—right from the start... A superior fantasy...It begins, as it should, with one protagonist's struggles and moves neatly into a wider circle of knights, dragons, magic and monsters, and

destiny...All the trappings of high fantasy are here, from soldiers and battles to confrontation s with self...A recommended winner for any who enjoy epic fantasy writing fueled by powerful, believable young adult protagonists. " --Midwest Book Review, D. Donovan, eBook Reviewer **The Shadow of What Was Lost** Yen Press LLC From the globally

bestselling author of The Witcher comes the final book in the rich historical epic, the Hussite trilogy. Join Reynevan--sco undrel, magician, possibly a fool--as he embarks on a last great adventure across the war-riddled landscape of 15th century Bohemia. After his adventures in The Tower of Fools and Warriors of God, Reynevan is on the run again, harried around him is by enemies--some human, and some mystical--at every turn. These are cruel and dangerous times for a man such as Reynevan, and to survive, he must set aside his history as a peaceful healer and idealist and play the brutal role of Hussite spy as crusades sweep through Silesia and the Czech Republic, and the world forever changed. Praise for the Hussite Trilogy: "A ripping yarn delivered with world-weary wit, bursting at the seams with sex, death, magic and madness." --Joe Abercrombie "This is historical fantasy done right." --Publishers Weekly (starred review) "A fantastic novel that any fan of The Witcher will

instantly appreciate." --The Gamer "Sapkowski's energetic and satirical prose as well as the unconventional setting makes this a highly enjoyable historical fantasy." --Booklist Translated by David French By Andrzej Sapkowski: The Hussite Trilogy The Tower of Fools Warriors of God Light Perpetual Witcher collections The Last Wish

Pan Lodowego Ogrodu
 Hussite Trilogy Blindsight is the Hugo Award-nominated novel by Peter Watts, "a hard science fiction writer through and through and one of the very best alive" (The Globe and Mail). Two months have past since a

myriad of alien objects clenched about the Earth, screaming as they burned. The heavens have been silent since—until a derelict space probe hears whispers from a distant comet. Something talks out there: but not to us. Who should we send to meet the alien, when the alien doesn't want to meet? Send a linguist with multiple personality disorder and a biologist so spliced with machinery that he can't feel his own flesh. Send a pacifist warrior and a vampire recalled from the grave by the voodoo of paleogenetics. Send a man with half his mind gone since childhood. Send them to the edge of the solar system, praying you can trust such freaks and monsters with the fate of a world. You fear they may be more alien than the thing they've been sent to find—but you'd give anything for that to be true, if you knew what was waiting for them. . . . At the Publisher's

request, this title is being sold without Digital Rights Management Software (DRM) applied.

Warriors of God

HarperCollins UK

In this bitterly funny novel by the renowned Polish author Witold Gombrowicz, a writer finds himself tossed into a chaotic world of schoolboys by a diabolical professor who wishes to reduce him to childishness.

Originally published in Poland in 1937, Ferdydurke became an instant literary sensation and catapulted the young author to fame. Deemed scandalous and subversive by Nazis, Stalinists, and the Polish Communist regime in turn, the novel (as well as all of Gombrowicz's other works) was officially banned in Poland for decades. It has nonetheless remained one of the most influential works of twentieth-century European

literature. Ferdydurke is translated here directly from the Polish for the first time. Danuta Borhardt deftly captures Gombrowicz's playful and idiosyncratic style, and she allows English speakers to experience fully the masterpiece of a writer whom Milan Kundera describes as "one of the great novelists of our century."
