This workbook, developed by Herb Zettl in conjunction with the main text, helps students apply the concepts introduced in the course to real-world production scenarios. Sections of the workbook may also be used as assignments that you can use to evaluate students' level of production skills. The workbook's three-hole-punched/tear-out worksheet format makes it easy for students to tear out specific sheets and turn them in to you. The Television Production Workbook can be bundled with the main text or sold separately.
