## **One Hot Holiday** L.D. Hall

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately,

plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

*The Cleansing Flame* Entangled: Amara I went to a depraved club and came out pregnant by my best friend's dad. Some girls have all the luck. They meet their man, get married, and start cranking out babies. But I'm not like that. I like things a little different, so I go to the place that satisfies those dark desires: The Cube. What we do in the club is off-limits and taboo to normal society, but it scratches an itch I have deep inside. Unfortunately, one night I meet a man at the Cube who takes my breath away. He's just as dark, dangerous and twisted as me, but then his mask falls away ... AND IT'S MY BEST FRIEND'S DAD! Omg, I've had a crush on Brent Marshall for years. And now he's being naughty with me, his daughter's childhood buddy. What do we do? Or more accurately, what happens when I get pregnant from our illicit encounter? Hold onto

your horses because Jane Cuesta is a bad girl. She's got an innocent exterior, but the curvy girl likes things a certain way and Brent Marshall is just the man to give her what she needs. Sure, he's known her since she was practically a baby, but that's why it's so forbidden ... and so mind-blowingly yummy! No cheating, no cliffhangers, and always a HEA for my readers. This book features characters that initially appeared in *My Dad's Business Partner*, but both books are standalones and can be read on their own. You'll love them, I promise! Xoxo, Cassandra

They were pitted against each other in childhood, and their father left them with a legacy that was a race to the finish—whoever has an heir first inherits the lands. The only problem is that Brochan has given his loyalty to the Scots, and his brother to the English. In order to keep the lands and ships under Scottish control, Robert the Bruce demands Brochan marry to break the iron-clad will. His new bride harbors a fiery temperament that lures Brochan into stoking her passions instead of her ire. Aligned to strengthen the Scottish claims on the realm, Brochan and Ceana must work together to overcome the obstacles that bind them.
