Evil in Joint Action Bookbaby

Exploring the famous 'Pear Theft' episode in St Augustine's Confessions, this book looks beyond the theological implications of the event to focus instead on the secular insights that it offers, with particular reference to its relevance for the development of a new account of joint action and collective wrongdoing.

Secrets Revealed

"The best parts of you are hidden where you're most afraid to look."
--Michael Benner, Fearless Intelligence
"Fear is a doorway to understanding yourself better. The secret is to plumb the depth and breadth of your anxiety and confusion in relaxed levels of expanded awareness. Becoming more

self-aware of your anxious feelings reveals the personal wisdom hidden within heartache and upset. "As we understand our self better, we become less alienated and more content -- calmer, happier, and more self-confident. Fewer random thoughts demand our attention. This or that occurs as this and that, and behavior becomes less reflexive -- more appropriate, even-tempered and well reasoned. Soon, defensiveness yields to acceptance, competition surrenders to cooperation -- lines fade, borders dissolve, and your perspective expands to include the 'Wholeness' of life."

GoPro Hero4 User Manual

"For nineteen years the Black Magi

have ruled the land, the evil king's knights enforcing a ban on all forms of magic. None have been more feared than Lord Eldritch, a dark knight who hides his face behind an iron mask, and his tortured past beneath a hardened soul. A young peasant, Inga was orphaned as a child and raised to hide her healing gifts. She is plagued by nightmares of Eldritch -- and shaken when her dreams take an unexpected sensual turn. When rumors of a practicing medicine woman reach the Magi, Eldritch investigates. He finds a strong-willed maiden who ignites his passion and stirs memories of a love long lost. Using his authority, he imprisons Inga in the castle dungeon

where he may possess and keep her forever. In time, Inga learns that, even in submission, she wields power over her captor. Can she inspire Eldritch to face his past and challenge the king while she, herself, resists the seductive lure of dark magic?"--Publisher's description.
