This book is for every person on earth who are being robbed by religion from personal contact with the one Person who loves them more than anyone else. You have probably never heard this before, but Jesus is the only Person who loves you just the way you are - because He made you. He is also the only person who truly understands you, because He made you. As someone once said about getting to know Jesus for yourself: If the truth should be told - you, me and everyone else - between our partying, smoking, drinking, night clubbing, living in the fast lane, chasing men, chasing women, chasing our own heaven on earth - were always just looking for Jesus, just in all the wrong places. Jesus is a person and NOT a religion - just like you. And the ONLY thing you can do with him is meet him for yourself, and get to know him - for yourself. That is the reason for this book.
