Discourses on Tantra Psychological Assessment With the MMPI-2

For many years, I have pondered who these symbolic creatures are and this Harlot & Mother of Harlots were in the book of Revelation, and for some time I must confess, I thought the same as many that the Pope was the Beast. However, the Pope for the Beast just did not fit right with me from a financial aspect. To me the Pope certainly fitted the bill on a religious point of view and financially from the history of selling "apostles" bones and the various books that talked about the history of the Pope's and the Roman church as a whole. Catholic so I found out means universal, Therefore the Roman Catholic Church is really the Roman Universal Church. Every time one says Catholic Church, they are saying Universal Church and therefore one should address the Catholic Church as the Roman Catholic Church. As I moved on in life and become an insurance advisor, financial planner then "stockbroker" and in Christian life the whole financial system was the beast including the Roman Catholic Church at least in part. Why I say in part is because I believe that John 3 v16 is true, which reads "God so loved the world that he gave his only begotten Son that whosoever should believe, would not perish but receive everlasting life" Barry & Austin Gumm 11 | P a g e Introduction Now that is quite a deal, just believe - trust and obey and you get to live forever without pain, sickness and sorrow. Cannot buy it, cannot give it, cannot own it, cannot work for it, just believe, trust and obey and it yours no matter what you done in the past. What an incredible deal! Still I wanted to know what these signs meant, and have done for 32 years. Then in the last couple of weeks from around 1st May 2014 to mid-2014 it all came together for me in just two weeks. God showed to me, lead me to places on the Internet some of which I had physically been to, and seen when I was just 9 or 10 years old. I can still remember seeing the Beast's / Harlots Cup when I was aged just 9 years old, on display in the London Museum and thinking why would you make or drink out of a cup that large? I was just nine so the Cup looked enormous to me. Off course the answer came some 41 to 42 years later, if you are going to cause that much hurt and harm to people you need a large cup and constantly refill it. This is another book I am incredible appreciative that the Lord God of Heaven and Earth and the ones to come should choose me.. In fact one could have known most of what Revelation 17 was talking about in full from 1954! Why has so many missed the Beast's cup described in Revelation 17 including myself for so long..... I mean millions of people have seen it yet it is almost impossible to find one talking and unveiling it as it were to the world. Why have millions of people and probably tens of Thousands of Priests and pastors missed it? I do not have the answer maybe it has something to do with the words on the placard that says "Royal Cup" and they discounted the Images Gold and Pearls and did not compare to Revelation 17. One of the Images on the Cup is a Beast! If I had lived in England past the age of 11 and become Born Again, I would have gone and found it a lot earlier, but never mind it is being declared to the world now. This book is going to cover a lot aspects mentioned in the book of Revelation. It will cover at least in part, some of the other books and scriptures as well. What I am not going to do is what most other Christian writers have done and that is "prove" their thoughts by quoting other scriptures, which may seem to relate but quite often do not. Having said that I think there is one scripture that I may actually do that in this book. As I improved the introduction on the 21st June 2014, I brought a book at Lifehouse Church Coffs Harbour and devoured the book 250 pages in 2.5 hours I took it back and said I would pay for it as I had read it. What I read for the first 155 pages was confusion I felt like throwing it in the bin! It was a New York best seller! Not Lifehouse fault at all the writer was from the USA, Life house just had it in their book shop. The chap that wrote tried to prove his view with scriptures backing up scriptures. How let me ask you a question and let's say you have a analytical personality and you are trying to access God is real. You read a scripture, then another to back that up that sort of fits and then another to back up the last one, then another that backs up that one, but then you end up where you started. How do you know what is True? And that is what this book was like. Then I thought about it, well I be around for 32 years, so this book may be alright for a person who has not been saved for as long as I have. Then I

remembered the words someone told me you have to read multiple books that have different views have a complete understanding. Sound's logical. Then comes the question well how many to prove what? In the financial markets I discovered the No:1 Top Secret and I can mathematically calculate a projection, a future price with a greater accuracy than 99.????%. Yes I measure it to the forth decimal point! Something I have not seen anyone do except those who have read my books! Not one broker advertises his success rate. And for good reason they do not know the mathematical truth in the markets as related to what God has Created. Now if I can do that with the Law of Vibration and Harmony on the financial markets (anyone) then why can I not do that with God and his Universe and more to the point his mathematical Musical Clock called our Solar System? I can and you will see me prove it in this book. I mean God wrote the book of Numbers, God's Word the Holy Bible has been proven mathematically true by Ivan Panin and his Bible Numerics.1 Then off course there is Bible Code that is said to unveil mathematical secrets (words and names) hidden numerically in the words of the Bible2 1 <http://www.biblebelievers.org.au/panin2.htm> 2 <http://www.thebiblecode.com/> Now if those things are true why quote scripture on scripture on scripture and end up with a book that is not proven mathematically and just end up with a lot of quotes, for some this is enough and certainly the best way to approach God is to ask him However either straight away or later it is nice to have proof. Now God gives proof personally, just ask him and he will prove himself to you. However that is not the subject of this book, but rather, a look at Revelations and prove the scriptures TRUE with simple mathematics of the Solar System. After all God said Genesis 1 V14 KJV And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years: And there will be signs in sun and moon and stars, and on the earth distress of nations in perplexity because of the roaring of the sea and the waves. Luke 21 v 25 ESV Now God has made them for signs, in the Sun, Moon and Stars. Now God has made them for signs, what signs, how can we use them? The Solar System has been there since Genesis chapter one.Let's think about that for thousands of years the planets of our Solar System have been going around the Sun and around the Earth (all but three) which are the Sun, Mercury and Venus and are perfectly ordered. Therefore they have to comply with the mathematics that God has used to order their way as it were. He could not have them bumping into earth could you imagine if Jupiter hit earth, bang everyone wiped out. NO God set them in cycles that were mathematically correct! Therefore the mathematics of the Solar System are far better to use for past present and future signs than any man made calendar. Farmers today in 2014 still use the seasons and moons to plant crops, fisherman on fish on certain moons and so on.3 Therefore in this book everything where possible is backed up and proven and future events to come are mathematically analysed. Why Mathematically? Well numbers do not lie. There are a few different calendars that you can go by, but the mathematics of God's Musical Clock our Solar System cannot be altered or changed in any way unless God changes them! 3 http://www.the-gardeners-calendar.co.uk/moon_planting.asp Which he has done twice, once with Joshua4 and once with King Hezekiah5. AND with Hezekiah the Sun went backwards 10 steps or 10 degrees. God has made a wonderful orchestrated clock for use to use and verify events in the past, present and future. Another reason I like this method so much is said so beautifully by a Scottish Physicist Lord Kelvin back in 1883. 6I often say that when you can measure what you are speaking about, and express it in numbers, you know something about it; but when you cannot express it in numbers, your knowledge is of a meagre and unsatisfactory kind; it may be the beginning of knowledge, but you have scarcely, in your thoughts, advanced to the stage of science, whatever the matter may be. I just love that quote, God has many numbers in his Holy Bible and every Number and Cycle can be found in the Solar System. Including 144 and 153 fishes.

This book is for every person on earth who are being robbed by religion from personal contact with the one Person who loves them more than anyone else.You have probably never heard this before, but Jesus is the only Person who loves you just the way you are - because He

made you. He is also the only person who truly understands you, because He made you. As someone once said about getting to know Jesus for yourself: If the truth should be told - you, me and everyone else - between our partying, smoking, drinking, night clubbing, living in the fast lane, chasing men, chasing women, chasing our own heaven on earth - were always just looking for Jesus, just in all the wrong places. Jesus is a person and NOT a religion - just like you. And the ONLY thing you can do with him is meet him for yourself, and get to know him - for yourself. That is the reason for this book.

Constance Bache 11 March 1846 - June 1903 was an English composer, pianist and teacher. Bache was born in Edgbaston, the daughter of Samuel Bache (1804-1876), a Unitarian minister at the Church of the Messiah, Birmingham; an uncle on her mother's side was James Martineau. After learning from her brother Walter Bache, she studied at the Munich Conservatorium and subsequently under Karl Klindworth and Frits Hartvigson. After an injury to her right hand, Bache gave up public performance excepting occasional Birmingham concerts. In 1883 she moved to London, where she took up teaching and writing - especially translation from German. Franz Liszt is a composer, transcriber and pianist virtuoso Hungarian born on 22 October 1811 in Doborjan (Austrian Empire) and died on 31 July 1886 in Bayreuth (Germany). Liszt is the father of modern piano technique and recital. With him came Impressionism on the piano, the orchestral piano - Mazeppa, the Fourth Study of Transcendent Execution - and the literary piano - Years of Pilgrimage. Innovator and promoter of the "work of art of the future" (the "music of the future" being an invention of the journalists of the time) Liszt influenced and supported several major figures of the nineteenth century: Richard Wagner, Hector Berlioz, Camille Saint-Saens, Bedrich Smetana, Edvard Grieg and Alexandre Borodine. As fruitful as it is diverse, his work has inspired several major currents of modern music, whether it is impressionism, folklore renaissance, film music or serial dodecaphonism.

LIFE & WORKS OF ABRAHAM LINCOLN

THIS is the story of my life in Christ. Now, what does living in Christ mean? It means that one is FOR Christ, that one not only accepts Him, but that one lives in Him. Living in Christ has little relationship to the more commonly accepted situation of living as a Christian, or living a Christian life. Living AS a Christian means that one has accepted the tokens of Christianity, that one agrees in the divinity of Christ, that one is a member of a Christian congregation, in a largely Christian community, in a Christian nation. Thus, one can lead a Christian life without knowing Christ and without changing one's existence in the slightest degree. If a person leads a Christian life, and it does not transform one's existence, then one can be sure that he does not KNOW Christ. Knowing Christ is the only manner in which one can go beyond oneself, and the only manner in which one can go beyond one's world. In knowing Christ, one is immediately lifted out of the mechanical life of the human existence, one transcends the common existence. One is no longer a human machine, leading a hopeless, mechanical life, repeating the same meaningless motions like a robot throughout the years of one's earthly existence. What was Christ's ad-monition? "Take up the Cross, and follow Me." But, in explication of this admonition, the New Testament contains many significant references to the condition of sleep, and Christ's exhortations to mankind to awaken. Now, what does this mean? It means that Christ did not wish to be followed by robots and sleepwalkers, He desired man to awaken, and to attain the full use of his earthly powers. Not only are mechanical men of no use to Christ, but they are quite dangerous, they present endless difficulties in the establishment of Christ's Kingdom on earth.
