Her younger
sister was

having her first baby, her younger brother was recently married, and...she was single and lonesome. Kate, the one everyone tried to set up with their friend or cousin or coworker. Kate, the oldest and pathetically unmarried sister. Kate, the sad, single San Franciscan. But this year she had a plan. She

was going to get herself engaged. A diamond ring on her finger was the perfect way to get her family to back off. And she had just the perfect guy in mind. Forever in My Veins AuthorHouse Left penniless and shattered by devastating secrets revealed in the aftermath of her seemingly successful lawyer husband's sudden death, Georgia rallies herself to pursue a new relationship and support her two

daughters. Stars Over Alaska J-Novel Club She ' s running for her life. He ' s the safe haven she never expected to find. The holiday season is about to get HOT. Hiding out for the holiday season in the heart of the South? Not something that Haley Quick ever expected to have on her to-do list but then...she never expected her ex to want her dead, either. Turns out, life is full of surprises. Time to deal. Haley has ditched New York for a crazy little dot on the map known as Point Hope, Alabama. It ' s a town gone extra crazy for the holidays, and Haley is sticking out like a sore thumb with her very much Grinch-self. But enter

sexy sheriff Spencer Lane... Tall, muscled, and made with an extra dose of sex appeal, he is exactly the kind of man that Haley should be avoiding. He 's charming, he looks way too good in a Santa hat, and, oh, yes, he 's her new landlord. The hits just keep coming. She can 't afford to let Spencer learn all of her secrets, a tough job since she is living with the man. No sex, though. It 's purely a business relationship. Except... the holidays in the South sure do get HOT. Or maybe that 's just sexy Spencer. Usually, Haley falls for the bad guy. It 's the whole reason she 's running for her life. She can 't help but wonder... What would it be like to fall for a man like Spencer? He just got his Christmas wish. Sheriff Spencer Lane can 't believe his luck. The most beautiful, fascinating woman he 's ever seen has just dropped into his life like a gift from, well, the big guy in red. Only the problem is that Haley seems to think Spencer is some by-the-book, nice guy. Probably because of the badge. And if she wants him to be the hero, that 's a role that he 's happy to play for her. But the truth is, Spencer has plenty of darkness inside, too. An ex Navy SEAL, he knows how to get sh—um, stuff done. He also knows how to be very, very naughty. When danger threatens his Haley, all bets are off. No one is going to hurt her. No one is going to threaten her. Not in his town. Not on his watch. The nice guy will show Haley just how bad he can be. Fake snow, a parade of wild elves, and a stalker ex don 't make for the merriest of times, but in Point Hope, anything can happen—and it usually does. Ready for a steamy story that will get you in the ho-ho-ho spirit? Settle back, curl up with Spencer, and have yourself a jolly old time.

Honky Tonk Christmas
Entangled: Amara Eliza Knight's bestselling Scottish

historical romance series, The Stolen Bride Series, is back with another amazing tale of adventure, passion and love! Ceaná Montgomery had notions of marrying for love after her first disastrous marriage ended in widowhood. But now Robert the Bruce has ordered her to marry a stranger, securing a strong alliance and ending a decades-old feud. Already used as a pawn once in marriage, she is devastated that she will once more have to give up her happiness in order to please the edicts of men. And

<p>while the braw warrior standing before her might incite feelings inside her she thought long since buried, desire is a far cry from love. The rivalry between Brochan Lamont and his twin brother, John, began in the womb, and only grew worse from there. They were pitted against each other in childhood, and their father left them with a legacy that was a race to the finish—whoever has an heir first inherits the lands. The only problem is that Brochan has given his loyalty to the Scots, and his</p>	<p>brother to the English. In order to keep the lands and ships under Scottish control, Robert the Bruce demands Brochan marry to break the iron-clad will. His new bride harbors a fiery temperament that lures Brochan into stoking her passions instead of her ire. Aligned to strengthen the Scottish claims on the realm, Brochan and Ceana must work together to overcome the obstacles that bind them. But perhaps seeing their duties through does not have to be as painful as they both predicted. Is it</p>	<p>possible that love can be forged from a union born in alliance? Maybe Fate knew all along just who was meant for who... The Highlander's Surrender Claudia Burgoa In the tradition of Trisha Ashley and Jenny Colgan, this first book in a new series by Alexandra Brown—author of the popular Cupcakes at Carrington 's series—tells the hilarious, heartwarming story of a jilted bride who anticipates a lonely Christmas but instead finds herself in the tiny village of Tindledale, where the residents share</p>

When she arrives in the idyllic town, she can ' t help feeling like she ' s in a Hallmark greeting card. She ' s embraced by welcoming—if eccentric—locals wearing handmade knits that remind Sybil of her own creations as well as her unrealized ambitions of selling them.
