"Albert makes a deeper and more sensitive investigation into what love is than most romances." –New York Times Book Review on Conventionally Yours Winning and losing are subject to sexy interpretation... Navy chief Calder Euler loves to win big. His latest score? A remote mountain cabin.

Checking it out is supposed to be a easily into the rhythms of a quick trip, but Calder's luck abruptly turns when a freak injury and a freakier snowstorm leave him stranded. Oh, and the cabin isn't empty. A silver fox caring for two young girls claims that the property is his, but Calder's paperwork says otherwise. Felix Sigurd is on a losing streak, and his ex-husband risking the cabin in a reckless bet is only the latest in a series of misfortunes. He'll tolerate the handsome stranger for a couple nights--even care for his injuries--but that's it. Calder doesn't know a damn thing about kids, but making pancakes for Felix's girls is a surprising delight. Trapped in the cabin, the four of them slip into the rhythms of a family. But when the ice melts, they'll have to decide if a future together is in the cards. Carina Adores is home to romantic love stories where LGBTQ+ characters find their happily-ever-afters. Shore Leave Book 1: Sailor Proof Book 2: Sink or Swim Also by Annabeth Albert: Out of Uniform Book 1: Off Base Book 2: At Attention Book 3: On Point Book 4: Wheels Up Book 5: Squared Away Book 6: Tight Quarters Book 7: Rough Terrain Paths of Glory Oxmoor House Do you want to know how to create awesome quilling designs for your household or as gifts for your family and friends without breaking the bank? Paper quilling book for beginners is exactly what you should consider reading today. The amazing

art of paper quilling has numerous advantages for you and everyone around you. The exciting thing about getting to know what paper quilling is all about and designing a craft is that you can wow your friends and loved ones with beautiful gifts that will make them cherish you at virtually no cost. In simple terms, paper quilling is the process of using thin and long paper strips and curving or coiling them into your preferred shapes. These shapes, in return, are then used for your card and paper art. Aside from having its mark as one of the most used paper craft methods globally, it is also so versatile, and various designs can be made from it. The art of paper quilling didn't start today, but it has grown massively worldwide, with several art lovers designing different paper quilling projects for various purposes. Paper Quilling Book for Beginners contains exciting designs, ideas, tips, and techniques that will drive you to become an expert in a short period. This beginner's guide on paper quilling is packed with step-by-step directions on how to make 20 paper quilling designs and the materials needed. Additionally, this guide is well-detailed to serve you with all there is to know about paper quilling. Here is a snippet of what you will learn in this guide: 1. Meaning and history: You will know what paper quilling is all about and how it came to be. 2. Tips and techniques: In here, you will be exposed to hidden nuggets that will set you on your way to becoming a paper quilling expert. Also, this section teaches several methods of making a paper quilling design. 3. Paper quilling tools and materials: You will be accustomed and familiar

with the different tools and materials needed to make your paper quilling design stand out among others. 4. 20 paper quilling designs: In here, you'll be held by the hand and taught the step-by-step instructions on how to make 20 paper quilling designs, including paper quilling monogram and flower tops, among many others. 5. Are you getting excited about what's in store for you? What is keeping you from proceeding? Don't overthink this. Kick-start your paper quilling journey today by getting a copy of this book **RIGHT NOW** [Paired Passages](#) Carina Press

When Ash loses her boyfriend, she is consumed by grief, loneliness, and an overwhelming sense of guilt for her role in not only his death, but the deaths of everyone she has ever loved. Refusing to let anyone in for fear of losing them too, she becomes withdrawn, spending her days reliving the nightmares from her past. Until she meets Luke. Initially scared by his intensity and interest in her, Ash tries to push him away. But as Luke slowly starts to chip away at the walls she's built, Ash finds herself doing the one thing she swore she'd never do again - falling in love. When the familiar feelings Ash had hoped were long buried with her past begin to resurface, she is forced to ask herself if falling in love again is really worth the risk.

More than thirty years after her death, Marianne Moore continues to be one of America's best-loved poets, and is now regarded as one of the most significant and influential voices of the twentieth century. However, her inaccurately titled Complete Poems (Faber and Faber, 1968), from which the poet decided to omit nearly half of her published poetry - 'omissions are not accidents' - gave readers only a partial view of her work. The Poems of Marianne Moore, scrupulously edited by the poet Grace Schulman, for the first time includes all of Moore's poems, among them more than one hundred previously uncollected and unpublished versions. Organized chronologically, to allow readers to follow Moore's development as a poet, the volume includes an introduction and all of Moore's original notes to the poems, together with Schulman's editorial notes, attributions and the

most significant variants. This long-awaited volume will reveal the true scope of Marianne Moore's poetry, particularly her increasingly admired early verse, and introduces her work to a new generation of readers in what will become the definitive edition. 'I am tempted simply to call her our greatest modern poet.' John Ashbery 'Moore's poems form part of the small body of durable poetry written in our time.' T. S. Eliot 'For sureness of execution, for originality of technical accomplishment, her poetry is unsurpassed in our time.' Randall Jarrell

The Poems of Marianne Moore Phoemixx Classics Ebooks

Pensées Blaise Pascal - From the notes for Pascal's contemplated "Apology for the Christian Religion" the Port-Royalists compiled and edited the book known as his "Pensées" or "Thoughts." The early texts were much tampered with, and the material has been frequently rearranged; but now at last it is possible to read these fragmentary jottings as they came from the hand of their author. In spite of their incompleteness and frequent incoherence, the "Thoughts" have long held a high place among the great religious classics. Much of the theological argument implied in these utterances has little appeal to the modern mind, but the acuteness of the observation of human life, the subtlety of the reasoning, the combination of precision and fervid imagination in the expression, make this a book to which the discerning mind can return again and again for insight and inspiration.

I Love You to Death Teacher Created Resources Today's best-selling study Bible—the Life Application Study Bible—has been updated and expanded. The Epochal Event Cherry Lake

Anxiety sensitivity (AS) is the fear of anxiety sensations which arises from beliefs that these sensations have harmful somatic, social, or psychological consequences. Over the past decade, AS has attracted a great deal of attention from researchers and clinicians with more than 100 peer-reviewed journal articles published. In addition, AS has been the subject

of numerous symposia, papers, and posters at professional conventions. Why this growing interest? Theory and research suggest that AS plays an important role in the etiology and maintenance of many forms of psychopathology, including anxiety disorders, depression, chronic pain, and substance abuse. Bringing together experts from a variety of different areas, this volume offers the first comprehensive state-of-the-art review of AS--its conceptual foundations, assessment, causes, consequences, and treatment--and points new directions for future work. It will prove to be an invaluable resource for clinicians, researchers, students, and trainees in all mental health professions.

Jesus, the One and Only BoD – Books on Demand Thirty-six previously unpublished papers accompanied by textual apparatus.

Bird's Eye View Ingram
This book is a unique attempt to capture the

growing societal experience of living in an age unlike anything the world has ever seen. Fueled by the perception of acquiring unprecedented powers through technologies that entangle the human and the natural worlds, human beings have become agents of a new kind of transformative event. The ongoing sixth mass extinction of species, the prospect of a technological singularity, and the potential crossing of planetary boundaries are expected to trigger transformations on a planetary scale that we deem catastrophic and try to avoid. In making sense of these prospects, Simon's book sketches the rise of a new epochal thinking, introduces the epochal event as an emerging category of a renewed historical thought, and makes the case for the necessity of bringing together the work of the human and the natural sciences in developing knowledge of a more-than-human world.

Sink or Swim Routledge

Topper Meets Emma! Re-release of bestselling 2009 novel - What happens

when Rory travels halfway across the country to meet the girl of his dreams? Certainly not what he expected...Rory's just be a simple southern boy from St. Antoine's Parish, Louisiana, but he knows what he wants -- the girl of his dreams, reclusive and mysterious artist Ran Yamane. He's loved her since junior high school, and now he has the chance to meet her. He chucks everything and travels 1,500 miles to Anime Expo in Long Beach just so he can tell her. He's determined that nothing and nobody are going to stand in his way. Turns out, Ran Yamane isn't a girl, but he gets that a lot. People come to him with teddy bears and chocolates and disappointment by the truckload. He's trusted fans in the past and paid the price. So when he meets Rory he is understandably wary, but resigned. He isn't prepared for his magnetic attraction to the young man, Rory's apparent willingness to overlook his gender, and the chaos that ensues when his number one fan (and psycho stalker) shows up to get revenge. Re-release.

Volume 2 of Richardson's classic Pamela.

One of the most spectacular successes of the burgeoning literary marketplace of eighteenth-century London, Pamela also marked a defining moment in the emergence of the modern novel. In the words of one contemporary, it divided the world 'into two different Parties, Pamelists and Antipamelists', even eclipsing the sensational factional politics of the day.

Preached up for its morality, and denounced as pornography in disguise, it vividly describes a young servant's long resistance to the attempts of her predatory master to seduce her. Written in the voice of its low-born heroine, but by a printer who fifteen years earlier had narrowly escaped imprisonment for the seditious

output of his press, Pamela is not only a work of pioneering psychological complexity, but also a compelling and provocative study of power and its abuse.

Pere Pascal, a Monk of Montserrat, Vindicated: in a Charge Brought Against Him by a Noble Earl of Great-Britain.
