There are worlds that exist beneath the shroud of human reality, accessible only to those who know how to find the doors. Sam Cristo, haunted by a violent past on the streets of Philadelphia, has spent years searching for one such world. Today, he stands before its door. At last, he can avenge the murder of his beloved Jeanette. A powerful force suddenly grabs hold of Sam and pulls him through the doorway, dropping him into a strange realm under a blood-red sky. There he meets Serena, the leader of a rebellion against Xavier, the tyrant king who ordered Jeanette's execution. Sam joins Serena on a mission to sneak into a secret temple with ties to the ancient Aztec Empire. Inside they make a chilling discovery about Xavier's

endgame, setting off a desperate race against time to destroy a talisman that powers the portal between worlds. Along the way, Sam learns the truth behind Jeanette's murder when a stunning revelation turns his life upside down, and he soon finds himself fighting for something greater than vengeance. **THE EYES OF MICTLAN** is a genre-bending work of dark fantasy blended with elements of organized crime and historical fiction that straddles two worlds across multiple time periods, telling parallel stories that slowly converge into a thrilling climax.

Sharing your kitchen concoctions on your personal food blog has never been as popular as it is right now, but if you've ever had trouble getting your tasty temptations to look like pretty plates on camera, you know how difficult it can be to take amazing pictures of food. Matt Armendariz, of Mattbites food blog fame, shares his experiences and best practices for creating wonderful food photos in Focus On Food Photography for Bloggers. Written specifically for you the blogger, Matt discusses the ins and outs of equipment, lighting, composition, propping, sparking your inspiration, and getting creative, all with what you have on hand at home! Learn how to avoid common pitfalls with foods that are notoriously camera shy, how to successfully snap your dinner at a restaurant as well as on your kitchen table, and how to style your food with what you have in your cupboards. He also includes advice on post-processing, posting, and protecting your prized images. As well as on his blog, Matt's photography has been featured in The Skinny Bitch Cookbook, on Martha Stewart, Paula Deen's Best Dishes, and Gordon Ramsay's Hell's Kitchen, along with numerous food magazines and newspapers. Let this seasoned blogger give your food photography the boost it needs to really make your readers salivate!
