Kate Potter used to love Christmas. A few years ago, she would have been wrapping her presents in September and baking mince pies on Halloween, counting down the days and

hours to Christmas. But that was before Kate's husband left for the army and never came home. Now she can hardly stand December at all. Kate can't deny she's lonely, yet she doesn't think she's ready for romance. She knows that her son, Jack, needs a Christmas to remember—just like Kate needs a miracle to help her finally move forward with her life. So she's decided if there isn't a miracle on its way, she'll just have to make her own. As Kate's advent countdown to the best Christmas ever begins, she soon realizes that even with the best laid plans, you can't plan for the unexpected. For when the path of the loneliest woman in town crosses with that of the loneliest man, these two destined hearts might find a way to save the holiday for both of them.

Working Girl meets What Remains in this New York Times bestselling, behind-the-scenes story of an unlikely friendship between America's favorite First Son, John F. Kennedy Jr. and his personal assistant, a blue-collar girl from the Bronx. Featured in the documentary I Am JFK Jr.! From the moment RoseMarie Terenzio unleashed her

Italian temper on the entitled nuisance commandeering her office in a downtown New York PR firm, an unlikely friendship bloomed between the blue-collar girl from the Bronx and John F. Kennedy Jr. Many books have sought to capture John F. Kennedy Jr.'s life. None has been as intimate or as honest as Fairy Tale Interrupted. Recalling the adventure of working as his executive assistant for five years, RoseMarie portrays the man behind the icon—patient, protective, surprisingly goofy, occasionally thoughtless and self-involved, yet capable of extraordinary generosity and kindness. She reveals how he dealt with dating, politics, and the paparazzi, and describes life behind the scenes at George magazine. Captured here are her memories of Carolyn Bessette, how she orchestrated the ultra-secretive planning of John and Carolyn's wedding on Cumberland Island—and the heartbreak of their deaths on July 16, 1999, after which RoseMarie's whole world came crashing down around her. Only now does she feel she can tell her story in a book that stands as "a fitting personal tribute to a unique boss . . . deliriously fun and entertaining"
