An accounting study guide with questions, and answers is a helpful tool for anyone that is taking an an accounting class. An accounting course book covers topics extensively. With the study guide the person can take the quizzes, and check their answers. The study guide shows which answer is correct. Some study guide books will explain why the other answers is close, but not correct. Once the person takes the quiz on a specific topic. They will find out where their weakness is, and what areas they have to study. The book will help them prepare for class exams, and any professional exams they may take.

CBIP is the complete reference and buying guide to English-language Canadian books currently in print; consequently, the Author and Title Index, Subject Index and microfiche editions are indispensable to the book profession. With submissions from both small and large publishers, CBIP provides access to titles not listed anywhere else. Containing more than 48,000 titles, of which approximately 4,000 have a 2001 imprint, the Author and Title Index is extensively cross-referenced. The Subject Index lists the titles under 800 different subject categories. Both books offer the most complete directory of Canadian publishers available, listing the names and ISBN prefixes, as well as the street, e-mail and web addresses of more than 4,850 houses. The quarterly microfiche service provides updated information in April, July and October. CBIP is constantly referred to by order librarians, booksellers, researchers, and all those involved in book acquisition. In addition, CBIP is an invaluable record of the vast wealth of publishing and writing activity in the scientific, literary, academic and arts communities across Canada. A quarterly subscription service including the annual Author and Title Index (March 2001) plus quarterly microfiche updates (April, July, and October 2001) is also available. ISBN 0802049567 \$220.00 NET.
