Spiraling Up To Abundant Living Oswaal Books and Learning Private Limited "Never die easy. Why run out of bounds and die easy? Make that linebacker pay. It carries into all facets of your life. It's okay to lose, to die, but don't die without trying, without giving it your best." His legacy is towering. Walter Payton—the man they called Sweetness, for the way he ran—remains the most prolific running back in the history of the National Football League, the star of the Chicago Bears' only Super Bowl Championship, eleven times voted the most popular sports figure in Chicago's history. Off the field, he was a devoted father whose charitable foundation benefited tens of thousands of children each year, and who—faced with terminal liver disease—refused to use his celebrity to gain a preferential position for organ donation. Walter Payton was not just a football hero; he was America's hero. *Never Die Easy* is Walter Payton's autobiography, told from the heart. Growing up poor in Mississippi, he took up football to get girls' attention, and went on to become a Black College All-American at tiny Jackson State (during which time he was also a finalist in a Soul Train dance contest). Drafted by the Bears in 1975, he predicted that he would last only five years but went on to play thirteen extraordinary seasons, a career earning him regular acknowledgment as one of

the greatest players in the history of professional football. And when his playing days were over, he approached business and charity endeavors with the same determination and success he had brought to the football field, always putting first his devotion to friends and family. His ultimate battle with illness truly proved him the champion he always had been and prompted a staggering outpouring of love and support from hundreds of thousands of friends and admirers. Written with veteran journalist and author Don Yaeger in the last weeks of Walter Payton's life, *Never Die Easy* presents Walter's singular voice—warm, plainspoken, funny, self-aware—along with the voices of the friends, family, teammates, and business associates who knew him best at all stages of his life, including his wife, Connie, and their children, Brittney and Jarrett; his teammate and friend Matt Suhey; former Bears head coach Mike Ditka; and many, many others. Walter made Don Yaeger promise that his book would be "inspirational and leave people with some kind of lesson . . . and make sure you spell all the words right." *Never Die Easy* keeps all those promises.

The Three Faces of Leadership takes readers inside the minds of CEOs who have been celebrated by the Harvard Business Review over the last decade of the twentieth century. Drawing on interviews with these famous CEOs, Mary Jo Hatch, Monika Kostera and Andrzej K.

Kozminski demonstrate how business leaders today use aesthetics, specifically storytelling, dramatizing and mythmaking, to lead their companies successfully. They look at how they inspire organizations through their creativity, virtue and faith, and thus show the faces of the artist and priest alongside the technical and rational face of the manager. The Three Faces of Leadership features clear and accessible explanations of the aesthetic philosophy of management: as applied to the concepts of creativity, imagination, courage, virtue, inspiration, faith and ethics. It presents techniques for developing these qualities as an essential part of leadership; together with the capacity to communicate them to others. Aesthetic leadership practices are

linked to organizational culture, change, vision, values and identity. In this way, the book encourages students and executives to align the creative and spiritual aspects of business with their technical training and practice.
