Kick your creativity into high gear with Spark: 100 Devotions to Ignite Your Imagination. In this book, kids will discover that God is the Master Artist who has given us talents and imaginations to bring Him glory. Daily devotions reveal that God's creativity didn't stop in Genesis: all creation is God's design, and He still works in the world today by the power of His Spirit. Kids will learn that we are God's workmanship—His masterpiece in the making! Each daily activity encourages young readers to put their God-given talents and creative ideas to work. Spark is an excellent complement to Lifeway's 2022 VBS curriculum, but it is a great stand-alone devotional as well.

The crafts in this book coordinate with each lesson in the Noah's Park Leader's Guide. Each craft activity is designed to help reinforce the Bible story the children have heard and participated in during the lesson. The craft is also designed to help the children and their parents extend the learning even further by linking it to activities they can do at home during the following week. Each craft activity in the book has a list of supplies which should be obtained prior to the session. Catalog of Copyright Entries. Third Series Jones & Bartlett Learning

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book... to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized." —Kay Warren, cofounder

of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Find your life and true calling by losing yourself in the ordinary rhythms of life with the people God has placed around you. Popular blogger, Shannan Martin offers Christians who are longing for a more meaningful life a simple starting point: learn what it is to love and be loved right where God has placed you. What does it look like to live lives of meaning? And how do we do it between loads of laundry and

reimagining leftovers? Where do we even begin? For Christ-followers living in an increasingly complicated world, it can be easy to feel overwhelmed and unsure of how to live a life of intention and meaning. But in *The Ministry of Ordinary Places*, speaker and writer Shannan Martin offers a surprisingly simple answer: it's about being with people, the ones right next door. As she walks you through her own story she challenges you to see your community through a wider lens of love, following in the footsteps of a Savior who came as an everyday man and spent his life circled up with regular folks just like us. Along the way, she shares discoveries about the vital importance of showing up and committing for the long haul, despite the inevitable encounters with brokenness and uncertainty. With transparency, humor, heart-tugging storytelling, and more than a little personal confession, Martin shows us that no matter where we live or how much we have, as we learn what it is to be with people as Jesus was, we'll find our very lives. The details will look quiet and ordinary, and the call will both exhaust and exhilarate us. But it will be the most worth-it adventure we will ever take and *The Ministry of Ordinary Places* will help guide you along the path. Spur of the Moment Preschool Activities Abingdon Press

I can do everything through him who gives me strength. (Philippians 4:13) Think it takes a professional actor to have a puppet ministry? Think again. This book gives you a step-by-step plan and tons of tips on using puppets to tell children all about Jesus while entertaining them at the same time! Puppets are a wonderful teaching tool. They can be whatever you want them to be. Puppets can take on different personalities, exhibit various character traits, teach different lessons. Kids are drawn to

puppets, opening doors and establishing instant trust. Tell a conventional story to kids and watch as their eyes glaze over. Their short attention spans cause them to squirm and by the end they've missed out on the whole point of the story. Use puppets to tell the story and suddenly every eye is on the stage. Your audience stays with you all the way through and weeks later you're still be hearing about the memorable things the puppets said and did--just like kids act when they're talking about their favorite videos or TV shows. Everything you need to start a new puppet ministry or breath new life into an existing one is in this book. The author, Susan Parsons, relates many firsthand experiences she has had during her substantial career as a playwright and puppeteer. Learn about creative ways of making puppets from all sorts of unconventional things. Find out how to build a nifty, professional-looking stage out of PVC pipe--lightweight, easy to work with and affordable. Get pointers on writing and presenting skits, on staging and lighting them, on recruiting people to help you! Also, the book contains puppet patterns and ready-to-present skits which you can use for practice or incorporate right into your ministry! After reading this book you won't just survive as a puppeteer--you'll thrive! Product Update It has come to our attention that page 59 of The Official Puppet Ministry Survival Guide contains an error in the instructions for constructing the PVC stage. This error will be corrected when the book is next reprinted. Our apologies for the mistake. The correct numbers and dimensions of pieces appear below. 2.5 ft. (8 pieces) 2 ft. 9 in. (8 pieces) 3.5 ft. (2 pieces) 4.5 ft. (6 pieces) 6 ft. (2 pieces) Also, page 60 incorrectly lists a 7 ft., 3 in. piece of pipe.

Families Sharing God Teacher Created Resources Many children's teaching programs resemble carnivals instead of productive environments where a child can learn about Jesus Christ. This is often the result of having untrained teachers teaching Sunday school. Experienced Sunday school teacher, Cheryl Dunlop, fills this void by providing a practical teaching manual designed to ensure all those teaching Sunday school are equipped and motivated to do their best for the Lord. Follow Me as I Follow Christ explores issues like how to tell a story, methods of effective discipline, and interacting with individual needs of children. Divided into 52 weekly entries, it is designed to be read along with and help in teachers' class preparation.

Bible Stories about Jesus WaterBrook Rhythms of Grace is a unique, innovative and cutting-edge program resource designed to meet the spiritual needs of children and families living with autism-spectrum disorders. Participant families gather monthly with program leaders and volunteers for sessions that are a hybrid of worship and faith formation. This book helps children and their families feel at the center of a worship/formation experience that is specific to their needs and circumstances, rather than merely at the margins of even a conventionally inclusive program of worship or faith formation. The whole Rhythms of Grace curriculum consists of a 3-year syllabus of distinct scripture-based session plans. This volume, Year 1, includes complete plans for 12 monthly sessions and 6 feast sessions, as well as the background and support material needed to establish and conduct a successful program.

In ancient Rome there lived a humble man named Valentine. He was a physician, but he was also a Christian priest whose life and freedom were in constant danger in a city of people who believed in many gods, not just one. One day a jailer from the emperor's prison appeared at Valentine's door with his small child, a girl who was blind. Knowing the difficulty of curing blindness, Valentine vowed to do his best, and over the weeks of treatment and prayer the three became fast friends. Here, accompanied by Sabuda's full-color mosaics evoking the time period in which the story takes place, is the story of a man whose goodness and faith brought about a miracle, and whose name lives on in one of our most celebrated holidays. A buttoned-up overachiever works overtime to keep her inner nerd at bay—failing spectacularly—in Nancy Werlin's hilarious and heartfelt return to contemporary realistic fiction. Planning is Zoe Rosenthal's superpower. She has faith in a properly organized to-do list and avoids unnecessary risks. Her mental checklist goes something like this: 1) Meet soulmate: DONE! 2) Make commitment: DONE! 3) Marriage: TO COME! (after college). She isn't sure which college yet, but it will have a strong political science department, since her perfect boyfriend, Simon, plans to "save the country," as his sister puts it, "and the planet and everything." Zoe will follow along, the perfect serious, supportive girlfriend. It's good to have her love life resolved, checked off, done. But speaking of unnecessary risks, Zoe's on a plane to Atlanta, sneaking off to Dragon Con for the second season premiere of Bleeders. The show is subject to her boyfriend's lofty scorn, but Zoe is nothing like these colorful hordes "wearing their inside on their outside." Once her flirtation with fandom is over, she will get back to the important business of planning a future with Simon. The trouble is, right now, Bleeders—and her fellow "Bloodygits"—may just mean the world to her. Will a single night of nerdery be enough? Best-selling and award-winning author Nancy Werlin is best known for science fiction, fantasy, and suspense, but here she turns her pen to realistic fiction with broad appeal. Confirmed nerds will revel in a diverse cast, zany fandoms, and cosplaying crowds, but this is for any reader seeking a smart, breezy coming-of-age story about

finding your friends—and your inconvenient
self.
