Delaney's People Anamchara Books

It's the seventh ridiculous day of August, 1971. A drought has besieged Red Clover, South Carolina and the heart of seventeen-year-old Karlene Bridges. Her big sister, Gloria Jean, is pregnant, and everyone carries on as if she were incubating the Light of this World-but Karlene feels hysterical at becoming an aunt at such a young age.

Billy Ray Jenkins, former heartthrob, joined the United States Navy six months ago, and Karlene has been incommunicado ever since. To soothe her jangled nerves, she has taken up songwriting-and she is terrible at it-truly terrible. And now, Spencer, her songwriting buddy, might get drafted and end up in Vietnam, sloshing around in rice paddies, which agonizes Karlene because she knows that peace of any kind is unobtainable on this whirling blue planet. Through the eyes of its sharp-witted, big-hearted protagonist, Luddy weaves an intimate love story about a young woman who dives into the deep end of her own life and attempts to solve the riddle of Life itself with grace and aplomb.

"It's about time a book came out about one of the most talented and beloved performers in the American theater. Charlotte is the consummate actress, comedienne, entertainer. Her work on stage and screen is always hilarious and somehow also gets you right in the gut. Her story is every bit as brilliant. Read it and smile." -Comedy Legend, Carl Reiner "To think of Charlotte Rae is to smile. Consequently, when I began to read "The Facts of My Life," I was unprepared for the emotional impact it would have on me. By the time I finished the first chapter, dealing as it does with her severely troubled son Andy, I was in tears. "As an old friend of Charlotte's, I thought I knew her fairly well. But as I read on, I discovered that the 'facts of her life' were constantly surprising (as well as amusing and engrossing)! There is so much that I don't know about Charlotte and so much that I now want to know, when the book is finally completed and published, I'll be first in line to get my copy!" -Sheldon Harnick (Composer, *Fiddler on the Roof*) Charlotte Rae's career spans more than seventy years, from the golden age of television to Shakespeare in the Park, the New York Cabaret scene of the late 1940's and 50's to her hit series, *The Facts of Life* and well beyond. Off stage and screen, Charlotte's life has been one of joy and challenge, raising an autistic son, coming to terms with alcoholism, the heartache of a broken marriage, the revelation of a gay husband and the sudden challenge of facing middle-age with financial and emotional uncertainties-an crisis she ultimately turned into the determination that brought her stardom. *The Facts of My Life* is the first

opportunity for Charlotte fans to explore the fascinating story of her extraordinary life: poignant and hilarious, a story of courage and triumph, one that speaks for a generation of women breaking barriers, taking on challenges, overcoming personal tragedy, and paving the way for others.

Joey Jet came up the hard way in Totowa, New Jersey; fifteen miles from Manhattan, the heart of New York City. His grandfather a blacksmith in a Pennsylvania coal mine; his father an honest, hard working truck driver; and his mother a professional

switchboard operator, Joey left school at sixteen. He became a three time small business owner/operator, soloed at Lincoln Park, New Jersey N07, and became a private pilot by age twenty-five. Moving to Deerfield Beach, Florida, Joey Jet continued learning to fly at Pompano Beach Airpark's Pompano Air Center, earning his Commercial Airplane license and becoming a Certified Flight Instructor under the tutelage of R. Dan Baker. Joey learned to fly Learjets when he was hired by Harvey N. Hop at Fort Lauderdale's Hop-A-Jet, Inc. Joey Jet has been a Learjet Captain flying the rich and famous throughout the United States, Canada, Mexico and the Caribbean for more than twenty-five years. Fasten your seatbelt and enjoy this compilation of stories from some of Joey Jet's most memorable flights. Stories include James Patterson, Roger King, Puff Daddy Imposter, James Lovell, Billy Joel, Enrique, Paris Hilton, Suze Orman, John Schnatter - Papa John's Pizza, Jackie Mason, Denzel Washington, Paulina Porizkova, Diana Ross, Shakira, Henryk de Kwiatkowski, Lee Greenwood, Elie Wiesel, Preston Henn, Patrick Park, Robert Redford, Don Whittington, Dear Abby, General H. Sometimes life is like a movie. There are moments and events in life - not often - that are as exciting and as dramatic as a movie. What happened in Lake Placid, New York in February 1980 at the Thirteenth Winter Olympics was such a time. For those who experienced it in person or watched the games on

television, they remember where they were when the US hockey team beat the Soviet Union and then beat the team from Finland two days later to win the gold medal. The sports victory of an underdog group of college kids was thrilling enough but it was a win against the Soviet Union. This Cold War adversary was also the nation hosting the summer games later that year which the United States was threatening to boycott. The excitement and drama in Lake Placid gave the games a huge lift of enthusiasm and popularity when some had even come to believe that staging the Olympics was no longer affordable for many communities and that perhaps the 1980 Winter Games should be cancelled entirely. Indeed, as the games began, a US News and World Report magazine questioned whether the Lake Placid games were the "last Olympics." What happened on the hockey ice was improbable enough, but the Lake Placid Winter Games were a long shot, if not a miracle too. Winning the games had been an unlikely decades-long quest for this small town to overcome the barriers of exploding finances, environmental concerns and world politics. Few remember that the 1980 games were never supposed to take place in Lake Placid. They came to the small village because of unexpected events which unfolded and made the two weeks in the remote Adirondacks before a worldwide audience of nearly a billion viewers one of the most dramatic times in the modern era of sports, media and politics. It would not be too much of a stretch to say that the Lake Placid Games, which brought the "Miracle on Ice," saved the Winter Olympics in 1980 and greatly enhanced them for the future.
