In the first volume of Post Editions's new series on the creative potential of seemingly everyday materials, the subject is paper - in amazing depth. This striking book asks nine scholars and artists to take a multi-layered look at paper, from its beginnings in second-century China to surprising contemporary

approaches. Essay topics include: species of wasps and hornets that make paper and cardboard remarkably similar to our own; the 18th-century German clergyman whose life's work was experimenting with various materials to make paper; and Cardboardia, a community of "visionary architecture." Origami master Paul Jackson writes about "paper music" - using paper as an acoustic medium, and Chiaki Morita introduces washi, the Japanese art of hand-made paper from the mulberry tree. Stunning black and white photos complete this impeccable package.

decades. “This house, this place, knows all my secrets.” It is a perfect August morning, and Elle, a fifty-year-old happily married mother of three, awakens at “The Paper Palace”—the family summer place which she has visited every summer of her life. But this morning is different: last night Elle and her oldest friend Jonas crept out the back door into the darkness and had sex with each other for the first time, all while their spouses chatted away inside. Now, over the next twenty-four hours, Elle will have to decide between the life she has made with her genuinely beloved husband, Peter, and the life she always imagined she would have had with her childhood love, Jonas, if a tragic event hadn’t forever changed the course of their lives. As Heller colors in the experiences that have led Elle to this day, we arrive at her ultimate decision with all its complexity. Tender yet devastating, *The Paper Palace* considers the tensions between desire and dignity, the legacies of abuse, and the crimes and misdemeanors of families.

“Perfectly wonderful.” —Becky Albertalli, *New York Times*–bestselling author of *Simon vs. the Homo Sapiens Agenda* “An electrifying love story.” —Booklist In *Sophie Gonzales' Perfect on Paper*, Leah on the Offbeat meets *To All the Boys I've Loved Before*: a bisexual girl who gives anonymous love advice to her classmates is hired by the hot guy to help him get his ex back Her advice, spot on. Her love life, way off. Darcy Phillips: • Can give you the

solution to any of your relationship woes—for a fee. • Uses her power for good. Most of the time. • Really cannot stand Alexander Brougham. • Has maybe not the best judgement when it comes to her best friend, Brooke...who is in love with someone else. • Does not appreciate being blackmailed. However, when Brougham catches her in the act of collecting letters from locker 89—out of which she’s been running her questionably legal, anonymous relationship advice service—that’s exactly what happens. In exchange for keeping her secret, Darcy begrudgingly agrees to become his personal dating coach—at a generous hourly rate, at least. The goal? To help him win his ex-girlfriend back. Darcy has a good reason to keep her identity secret. If word gets out that she’s behind the locker, some things she’s not proud of will come to light, and there’s a good chance Brooke will never speak to her again. Okay, so all she has to do is help an entitled, bratty, (annoyingly hot) guy win over a girl who’s already fallen for him once? What could go wrong?
