New in Paper The beauty of vintage paper is at the core of the absolutely captivating projects that author Sandra Evertson calls "Posh Little Follies." She has created a unique selection of enchanting little theaters, bandboxes, ornaments, and art dolls. Best of all, Sandra makes it fun for everyone else to craft them, too. The instructions are easy to follow and the elements can be color-copied straight from the book--even the actual rare papers she used. Some of the items feature embellishments such as ribbon, while others glisten with rhinestones and beads. Among the charming projects: a Prima Ballerina doll; Theatre La Rousse, complete with a Pierrot; Cupcake Papier Mache Box; and paper posies with fanciful faces to "plant" in pots.
