Notebook Journal Simon & Schuster Books for Young Readers

From A to Z, this hardcover storybook shows young children how they can make the world a kinder place. Through vibrant illustrations and age-appropriate language, this 26-page book will encourage kids 2-5 to be their best selves wherever they go. Showcasing a diverse cast of children, the ABCs of Kindness book demonstrates everyday acts of kindness, inclusion and generosity—whether it be donating blankets to the animal shelter, helping with chores or standing up for what's right. It's the perfect read-aloud book to spark conversations at home or in the classroom about the concepts of empathy and compassion. Featuring durable cardstock pages and approachable, kid-friendly language, this book offers a thoughtful and fun experience that young children will love. This book about kindness is crafted by childhood experts to promote strong social and emotional skills and build positive associations with reading. For over 75 years, Highlights has inspired children to become Curious, Creative, Caring and Confident individuals. With books about kindness for kids that encourage thinking, creativity and self-expression, Highlights helps kids build essential skills, all while having fun.

"It's impossible to resist [this book's] big-hearted appeal."

—BookPage A little girl and her friend Bear learn the true meaning of selfless kindness in this sweet, stunningly illustrated debut picture book. Bear is sad. All the other animals think he's mean because he's so big. But his human friend, Coco, offers to help him. Coco shares her grandmother's advice: "When life gets dark as winter's night, share some kindness, bring some light." They decide to bake cookies to "share some kindness" and make lanterns to "bring some light."

But when the cookies and lanterns don't work, they must look for another way to win over the other animals. And while they're at it, Coco and Bear just might discover that kindness is a gift that only comes from the heart.

Throw Kindness Around Like Confetti John Couch

George Orwell set out ' to make political writing into an art ' , and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell ' s

essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Why I Write, the first in the Orwell ' s Essays series, Orwell describes his journey to becoming a writer, and his movement from

writing poems to short stories to the essays, fiction and non-fiction we

remember him for. He also discusses what he sees as the ' four great motives

for writing ' – ' sheer egoism ' , ' aesthetic enthusiasm ' , ' historical impulse ' and

' political purpose ' – and considers the importance of keeping these in balance.

Why I Write is a unique opportunity to look into Orwell ' s mind, and it grants the reader an entirely different vantage point from which to consider the rest

of the great writer ' s oeuvre. 'A writer who can – and must – be rediscovered with every age.' — Irish Times

Be Kind Independently Published

Cultivating kindness is easy when you try. Spread a little kindness and watch empathy ripple through the community... spreading happiness like sunshine, connecting diverse groups like a footbridge and lifting hope like a kite string. How can YOU lift others with kindness? This compelling book illustrates simple, yet impactful ways, to spread kindness and brighten the lives of others. Through poetry, the inspiring words uplift young readers, planting seeds of empathy, kindness and community support. The best book for positively teaching kindness. Kindness is a Kite by Michelle Schaub carries the key message of kindness as well as how to teach similes and metaphors supported by the many advocates of positive parenting solutions. It'll sit comfortably on your shelf alongside other books that focus on the power of kindness. Like the work of Diane Alber (Scribble Stones) and Brandon Walden (Trees) This book comes with a free Reader's Guide for children. The guide is available for free download from the publisher website. Lesson plans, activities and discussion questions to allow parents, teachers and caregivers to explore the topic further and deepen comprehension.

Composition Book Cardinal Rule Press

Can a creative mind thrive in a corporate landscape? Can a business leader use creativity to guide teams more

effectively? From one of today's leading creative minds comes a book for modern rebels on building a rewarding life without losing your edge. Written for uncompromising creative thinkers and aspiring changemakers, The Art of Creative Rebellion encapsulates insights and wisdom collected over a life of creative and professional prosperity. In these frank and insightful reflections, John S. Couch shares with young free thinkers the uncompromising principles needed to thrive in a world that seems to reward conformity. Above all, The Art of Creative Rebellion is a guide to shaping a life, career and reality that nourishes the spirit and feeds the soul—without compromises or apologies.

Treat People with Kindness Rainbow Notebook - 120-Pages - Lined Paper - 6 X 9 Inches - Black

A New York Times Bestseller For Lady Gaga, kindness is the driving force behind everything she says and does. The quiet power of kindness can change the way we view one another, our communities, and even ourselves. She embodies this mission, and through her work, brings more kindness into our world every single day. Lady Gaga has always believed in the importance of being yourself, being kind to yourself, and being kind to others, no matter who they are or where they come from. With that sentiment in mind, she and her mother, Cynthia Germanotta, founded Born This Way Foundation, a nonprofit organization dedicated to making the world a kinder and braver place. Through the years, they've collected stories of kindness, bravery and resilience from young people all over the world, proving that kindness truly is the universal

language. And now, we invite you to read these stories and follow along as each and every young author finds their voice just as Lady Gaga has found hers. Within these pages, you ' ll meet young changemakers who found their inner strength, who prevailed in the face of bullies, who started their own social movements, who decided to break through the mental health stigma and share how they felt, who created safe spaces for LGBTQ+ youth, and who have embraced kindness with every fiber of their being by helping others without the expectation of anything in return. In one story, you ' ll read about a young person with an autoimmune disease, who after being bullied at school, learned how to practice self-love and started an organization with the mission of educating others about the importance of self-love, too; and in another story, you ' ll meet a young person who decided to start a movement to help eliminate the stigma surrounding mental health and encouraged others to talk about their feelings openly and honestly, a reminder that kindness and mental wellness go hand in hand. Not only were we moved by these individual acts of kindness, but we were also touched by the many stories of organizations, neighborhoods, and entire communities that fully dedicated themselves to helping those in need and found new, innovative ways to make our world a kinder and braver place. Individually and collectively, these stories prove that kindness not only saves lives but builds community. Kindness is inclusion, it is pride, it is empathy, it is compassion, it is self-respect and it is the guiding light to love. Kindness is always transformational, and its never-ending ripples result in even more kind acts that can change our lives, our communities, and our world.
