WINNER OF A CORETTA SCOTT KING HONOR AND THE JANE ADDAMS PEACE AWARD! Each kindness makes the world a little better This unforgettable book is written and illustrated by the award-winning team that created The Other Side and the Caldecott Honor winner Coming On Home Soon. With its powerful anti-bullying message and striking art, it will resonate with readers long after they've put it down. Chloe and her friends won't play with the new girl, Maya. Every time Maya tries to join Chloe and her friends, they reject her. Eventually Maya stops coming to school. When Chloe's teacher gives a lesson about how even small acts of kindness can change the world, Chloe is stung by the lost opportunity for friendship, and thinks about how much better it could have been if she'd shown a little kindness toward Maya.

When Martin gets called into the principal's office for teasing Julian, Martin thinks he hasn't done anything wrong. The principal tells Martin he needs to make things better with Julian by the end of the day. Martin has no idea how he will possibly do that. After listening to a story read by his teacher, Martin begins to realize that maybe he wasn't quite so kind to Julian after all, but still has no idea how he can make this up to Julian, until he discovers something on the floor by his table. In the end, Martin realizes too late that he missed out on a friendship with Julian because he was not kind. As the story continues, will Martin learn from his mistake and make a new friend?

Increase empathy in the elementary classroom with ready-to-use lessons that teach students positive skills and attitudes. Kids learn better and feel better about themselves in an atmosphere of safety and respect. This book shows you how to help students in grades three through six: Foster kindness, compassion, and empathy Manage anger Prevent conflict Respond to conflict Address name-calling and teasing Deal with bullying Accept differences With mini lessons that span those seven topic areas, you can build community and student relationships in 20 minutes or less per day. The prep work is already done: each of the 126 lessons has a script, and worksheets are available with the downloadable digital content. Included in the book are anger management activities, conflict

resolution strategies, and character-building lessons. And with concrete ideas about how to address bullying in the classroom, these lessons help students understand what bullying is and how they can stand up to bullies. Based on a nationwide survey of more than 2,000 students and teachers, this resource can be used alone or as a complement to anti-bullying or character education programs already in place. The digital content in this book includes reproducible handouts, bonus activities, forms for parents, and information on schoolwide responses to bullying.

#### Easter Sunday Simon and Schuster

Kindness is the foundation of the world's great religions and most-enduring philosophies. Why, then, does being kind feel so dangerous? If we crave kindness with such intensity, why is it a pleasure we often deny ourselves? And why—despite our longing—are we often suspicious when we are on the receiving end of it? In this brilliant book, the eminent psychoanalyst Adam Phillips and the historian Barbara Taylor examine the pleasures and perils of kindness. Modern people have been taught to perceive ourselves as fundamentally antagonistic to one another, our motives self-seeking. Drawing on intellectual history, literature, psychoanalysis, and contemporary social theory, this book explains how and why we have chosen loneliness over connection. On Kindness argues that a life lived in instinctive, sympathetic identification with others is the one we should allow ourselves to live. Bursting with often shocking insight, this brief and essential book will return to its readers what Marcus Aurelius declared was mankind's "greatest delight": the intense satisfactions of generosity and compassion.

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature - his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Why I Write, the first in the Orwell's Essays series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the 'four great motives for writing' - 'sheer egoism', 'aesthetic enthusiasm', 'historical impulse' and 'political purpose' - and considers the importance of keeping these in balance. Why I Write is a unique opportunity to look into Orwell's mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre. 'A writer who can - and must - be rediscovered with every age.' - Irish Times

"Social Justice Parenting offers guidance and grace for parents who want to teach their children how to create a fair and inclusive world."-Diane Debrovner, deputy editor of Parents magazine

"Replete with excellent examples and advice that can help parents raise children with a healthy self-image and regard for the welfare of others."-Jane E. Brody, New York Times An empowering, timely guide to raising anti-racist, compassionate, and socially conscious children, from a diversity and inclusion educator with more than thirty years of experience. As a global pandemic shuttered schools across the country in 2020, parents found themselves thrust into the role of teacher-in more ways than one. Not only did they take on remote school supervision, but after the murder of George Floyd and the ensuing Black Lives Matter protests,

many also grappled with the responsibility to teach their kids about social justice-with few resources to guide them. Now, in Social Justice Parenting, Dr. Traci Baxley-a professor of education who has spent 30 years teaching diversity and inclusion-will offer the essential guidance and curriculum parents have been searching for. Dr. Baxley, a mother of five herself, suggests that parenting is a form of activism, and encourages parents to acknowledge their influence in developing compassionate, socially-conscious kids. Importantly, Dr. Baxley also guides parents to do the work of recognizing and reconciling their own biases. So often, she suggests, parents make choices based on what's best for their children, versus what's best for all children in their community. Dr. Baxley helps readers take inventory of their actions and beliefs, develop self-awareness and accountability, and become role models. Poised to become essential reading for all parents committed to social change, Social Justice Parenting will offer parents everywhere the opportunity to nurture a future generation of humane, compassionate individuals. *Pulp and Paper Investigation Hearings* Fremantle Press
