**The Art of Modern Quilling** The Crowood Press

Quilling is an old craft though quite popular that uses the hand and mind to create appealing designs made of papers. Paper quilling is the art of cutting papers into various long strips, rolling and pinching the outcome into different shapes and sizes, then gluing together to form desired

artworks. There is a compelling feeling of joy that enriches our heart when we get to try new things that even when we are unable to achieve desired results, we would have learned in the process. That is what quilling does, it offers you a learning opportunity as you wrap, twirl, coil, and fold papers into beautiful designs. Quilling is less talked about and underused. It used to be extremely popular in the 1970s and 1980s but in recent times has taken a new dimension. One fantastic characteristic of arts and craft is their ability to reinvent.
