Critical Perspectives on Harry Potter

John Wiley & Sons

JK Rowling now is half-way through a series which has taken the world by storm. Unusually, she has attracted success both in terms of massive sales figures and critical acclaim. This study will look at her books and consider some of the reasons for their phenomenal success. This will be done against a background of how Harry Potter relates to other contemporary childrenÆs books so

that students and teachers can place them in the context for which they were written. This book has not been authorized by JK Rowling, her agent, or Warner Bros.

A Novel Lulu.com

When my father was first diagnosed with Alzheimer's, I read and researched everything I could get my hands on about the disease. Right off the bat I could tell if it was written by a physician, pharmaceutical company or even a nursing home. When caregivers are looking for help, the last thing they need is medical text so complex they already forgot what they read by the time it's laid back down. This is what got me started on writing about common sense caregiving, which turned into a weekly column and now into this book. My goal is to make this book as "caregiver friendly" as possible. Sharing my triumphs and hardships from my plus three-thousand day campaign in dealing with the disease of Alzheimer's and the world of memory-impairment. Gary Joseph LeBlanc is a columnist, speaker and book dealer from Spring Hill, Florida. He was the primary caregiver of his beloved father stricken with Alzheimer's disease for nearly the past decade. LeBlanc's weekly column appears in the *Hernando Today*, a Tampa Tribune Publication and other health publications. His writings offer insight and hope through his own journey of caregiving, dealing with the memory-impaired, given in a caregiver friendly manner.

A Novel Indiana University Press

The #1 bestselling international phenomenon

that asks, If you won the lottery, would you trade your life for the life of your dreams?

Jocelyne lives in a small town in France where she runs a fabric shop, has been married to the same man for twenty-one years, and has raised two children. She is beginning to wonder what happened to all those dreams she had when she was seventeen. Could her life have been different? Then she wins the lottery—and suddenly finds the world at her fingertips. But she chooses not to tell anyone, not even her husband—not just yet. Without cashing the check, she begins to make a list of all the things she could do with the money. But does Jocelyne really want her life to change?

Urging readers of the Harry Potter series to dig deeper than wizards, boggarts, and dementors, the authors of this unique guide collect the musings of seventeen philosophers on the series, who cover a wide range of Potter-related philosophical issues, including the

difference between good and evil, the ethics of sorcery, and Aristotle's own school for wizards. Original.

The Harry Potter Generation A&C Black

A philosophical exploration of the entire seven-book Harry Potter series Harry Potter has been heralded as one of the most popular book series of all time and the philosophical nature of Harry, Hermione, and Ron's quest to rid the world of its ultimate evil is one of the many things that make this series special. The *Ultimate Harry Potter and Philosophy* covers all seven titles in J.K. Rowling's groundbreaking series and takes fans back to Godric's Hollow to discuss life after death, to consider what moral reasoning drove Harry to choose death, and to debate whether Sirius Black is a man or a dog. With publication timed to coincide with the release of the movie *Harry Potter and the Deathly Hallows (Part 1)*, this book will be the definitive guide for all fans looking to appreciate the series on a deeper level. Covers a range of intriguing topics such as the redemption of Severus Snape, the power of love, and destiny in the wizarding world Gives you a new perspective on Harry Potter characters, plot lines, and themes Makes a perfect companion to the Harry Potter books and movies Packed with interesting ideas and insights, *The Ultimate*

Harry Potter and Philosophy is an ideal companion for anyone interested in unraveling the subtext and exploring the greater issues at work in the story.

Essays on Growing Up with the Series Vibrant Publishers

Global ethics addresses some of the most pressing ethical concerns today, including rogue states, torture, scarce resources, poverty, migration, consumption, global trade, medical tourism, and humanitarian intervention. It is both topical and important. How we resolve (or fail to resolve) the dilemmas of global ethics shapes how we understand ourselves, our relationships with each other and the social and political frameworks of governance now and into the future. This is seen most clearly in the case of climate change, where our actions now determine the environment our grandchildren will inherit, but it is also the case in other areas as our decisions about what it is permissible for humans beings to do to each other determines the type of beings we are. This book, suitable for course use, introduces students to the theory and practice of global ethics, ranging over issues in global governance and citizenship, poverty and development, war and terrorism, bioethics, environmental and climate ethics and gender justice.

Harry Potter and the Prisoner of Azkaban
Scholastic Teaching Resources

Taking up the various conceptions of heroism that are conjured in the Harry Potter series, this

collection examines the ways fictional heroism in the twenty-first century challenges the idealized forms of a somewhat simplistic masculinity associated with genres like the epic, romance and classic adventure story. The collection's three sections address broad issues related to genre, Harry Potter's development as the central heroic character and the question of who qualifies as a hero in the Harry Potter series. Among the topics are Harry Potter as both epic and postmodern hero, the series as a modern-day example of psychomachia, the series' indebtedness to the Gothic tradition, Harry's development in the first six film adaptations, Harry Potter and the idea of the English gentleman, Hermione Granger's explicitly female version of heroism, adult role models in Harry Potter, and the complex depictions of heroism exhibited by the series' minor characters. Together, the essays suggest that the Harry Potter novels rely on established generic, moral and popular codes to develop new and genuine ways of expressing what a globalized world has applauded as ethically exemplary models of heroism based on responsibility, courage, humility and kindness.

If Aristotle Ran Hogwarts Baker Books

Terminus was a Harry Potter conference that took place August 7-11, 2008, in Chicago, Illinois. The conference featured more than 180 hours of

educational programming presented by scholars, teachers, business and industry professionals, librarians, readers, and others with an interest in the Harry Potter novels, films, and phenomenon; at the time of the conference, presenters were able to analyze all seven novels and many related works. Following the conference, presenters were invited to contribute papers for this compendium, which includes perspectives on Harry Potter as part of the curriculum, an analysis of the wizarding world's legal system, criticism of gender roles in the series, sets of questions from roundtable discussions, and many additional essays.

The Blithedale Romance Springer
'Welcome to the Knight Bus, emergency transport for the stranded witch or wizard. Just stick out your wand hand, step on board and we can take you anywhere you want to go.' When the Knight Bus crashes through the darkness and screeches to a halt in front of him, it's the start of another far from ordinary year at Hogwarts for Harry Potter. Sirius Black, escaped mass-murderer and follower of Lord Voldemort, is on the run - and they say he is coming after Harry. In his first ever Divination class, Professor Trelawney sees an omen of death in Harry's tea leaves... But perhaps most terrifying of all are the Dementors patrolling the school grounds, with their soul-sucking kiss... Having now become classics of our time, the Harry Potter ebooks never fail to bring comfort and escapism to readers of all ages. With its message of hope, belonging and the enduring power of truth and love, the story of the Boy Who Lived continues to delight generations of new readers.
Global Ethics Greenwood Publishing Group
The Journal of Interdisciplinary Science Topics (JIST) form part of the

'Interdisciplinary Research Journal' module in the third year of both the BSc and MSci Interdisciplinary Science degrees. It is intended to provide students with hands-on experience of, and insight into, the academic publishing process. The activity models the entire process from paper writing and submission, refereeing other students' papers, sitting on the editorial board that makes final decisions on the papers, to finally publishing in an online journal. This book is a compilation of the papers written by undergraduate students that were published during the 2015/2016 academic year.
The Story of a Global Business Phenomenon ABC-CLIO
The tropes and themes of J. K. Rowling's massively popular series are interpreted within the context of its audience.
Scholarly Studies in Harry Potter Pottermore Publishing
Seminar paper from the year 2019 in the subject English Language and Literature Studies - Literature, grade: 2,3, University of Duisburg-Essen (Anglophone), language: English, abstract: It has not been a surprise that over the last years the novel of a boy with a scar and magic abilities has inspired children and adults. People cannot stop reading the story of a young boy who goes to a wizard school named Hogwarts. But have they thought why readers are attracted to this book series? And how it has influenced them in different

ways? These are questions, this paper tries to answer. Furthermore, the main goal will be to answer the question in what way does symbolism appear into the novel? What is the meaning of the symbols in this novel? These questions will be answered by both: analysing the context in which they appear and their possible meaning in the novel. The answer would be simple: Due to many stylistic and rhetorical devices, J. K. Rowling enlightens the world of the and gives us the possibility to discover it. However, a big part of this input comes from symbolism she uses as an author to catch attention in a better way. An entire generation has been influenced of how the author J. K. Rowling turns the world of a book into a living one. Therefore, it is no surprise that this piece of fantasy literature has become an important object of various studies. The novel itself can be investigated in several ways. This means Harry Potter as a fantasy novel is a masterpiece of literary and stylistic devices. It can also be approached as a good example of how an author could with use of symbolism write a good novel. In this term paper, the author would therefore like to limit the field of study to the meaning of the symbols we can find in Harry Potter. Furthermore, there will be a short definition to give an overview about what are core aspects in Heroic fantasy? This should help to get an impression of what is important in this genre and how it is presented. The term paper will be structured with a theoretical framework, the analysis and a conclusion to summarise all important results and with a look in the future

concerning symbolism. There are a lot of traditional symbols with different origins and meanings. In this term paper the author is describing only the most common symbols like e.g. good versus evil, magic, names and spells and other important symbols which she considers as nameable. She will be working with the hypothesis that patterns can be found in the manner of symbolism in many various ways.

Every Minute Matters [Grades K-5] Vibrant Publishers

Phoenix Rising was a five-day conference devoted to all things Harry Potter held 17-21 May in New Orleans, Louisiana. The conference featured educational and academic programming presented by scholars, teachers, business and industry professionals, artists, librarians, fans, and others with an interest in the Harry Potter novels, films, and phenomenon. Narrate Conferences, Inc., a 501(c)(3) charitable organization, produces dynamic, innovative educational events for scholars, students, professionals and fans. Phoenix Rising was produced by Narrate Conferences, Inc., and was not endorsed, sanctioned or any other way supported, directly or indirectly, by Warner Bros. Entertainment, the Harry Potter book publishers, or J. K. Rowling and her representatives.
