Mass-Market Paperback Books Vs. Trade Paperback Books ...

Trade paperbacks are the less expensive version of the hardcover edition. They usually have a thicker cover than the mass-market books. They are typically the same size as the hardcover books, but slightly smaller because the binding is done differently, and without the added thickness, width, and height of the hardcover.

Paperback vs Hardcover - IngramSpark

Paperbacks. By a long shot, the perfect-bound trade paperback is the most commonly printed book in the indie publishing arena. Its compact, lightweight shape makes it inexpensive to ship, which combined with its modest production cost has made the paperback the print format of choice for any publisher on a budget.

Difference Between Hardcover and Paperback / Difference ...

In addition, most mass-market paperbacks have smaller dimensions of width and length than trade paperbacks. For example, a trade paperback may be about the same size in width and length as the hardcover of the same work, whereas a mass-market paperback averages several inches less in width and length. The pages of trade paperbacks are less likely to yellow with age. Also, the spines are less likely to crack and separate. (Reference 2, 3) Distribution
