In the end, "community policing is a philosophy, not a program." (Roth et al., 2000, p. 183) If the philosophy of community policing is not understood by all of those that are involved, then the programs will not succeed. The community-oriented programs are only a small part of making the community policing model work.

FREE Community Policing Essay - Example Essays
Community policing gets the citizens involved and helps balance the stereotype that citizens have on officers making the police more effective in high crime areas. Just as community policing has an effect on high crime areas, the same applies to rural areas where the police are getting out and talking to the citizens.

Community Policing Essay. 1034 Words5 Pages.

Community policing is a policy and a strategy aimed

at achieving more effective and efficient crime

control, reduced fear of crime, improved quality of

life, improved police services and police legitimacy,

through a proactive reliance on community

resources that seeks to change crime causing

conditions. This assumes a need for greater

accountability of police, greater public share in

decision-making and greater concern for civil rights

and liberties.
