This is another in the Essential Papers series which I highly

recomend. The chapters range from classic psychodynamic papers to more contemporary psychological treatments of Dreams. If you want to own one book on the psychology of Dreams this is it.

Dreams, ambitions, hope and desires are common themes that define human nature. These dreams and yearnings of the soul have inspired poets for many millennia. This theme has endured through time and can still be found in the poetry of today. This research will explore the theme of dreams, hopes, and desires in through a modern lens.
