Religion comes from the Latin word religare which means to “ to tie,

to bind. ” It is a belief in something sacred which binds a number of

people together based on a common purpose. Religion is just not an

organization but it is also a platform of seeing the world. It is like a

prism which shows different light to different people.

that they all have in common is that they recognize or sense a

power higher than themselves and seek to follow it.

[Essay about Religion | Examples and Samples](#)

Writing a research paper about religion in our

multicultural and multireligious society might be a

difficult task. Sometimes it is hard not to offend

any religious feelings, especially while writing

about the history of religion (where lots of wars and conflicts are usually depicted as religious). The most important thing for the author before presenting their paper to the audience is respect to other religions or, if they write not about their own, to the subject of their research.
