A Love Affair with China Gone Wrong HarperCollins Publishers

The best-selling novel about a slave revolt in ancient Rome and the basis for the popular motion picture.

And, Banco Plaza & Janes Editoriales Sa

Voici le récit du plus célèbre évadé de France !
Condamné en 1933 au bagne, pour un meurtre qu'il n'a pas commis, Henri Charrière, dit "Papillon", en réchappera treize années et quelques tentatives d'évasion plus tard. Entre ces deux dates, l'"enfer vert" ! Des années de réclusion totale aux îles guyanaises du Salut, des caïales en pleine jungle colombienne entrecoupées d'un intermède paradisiaque chez les Indiens Guajiros. Une épopée sur terre et sur mer qui s'achève par l'ultime évasion, la plus risquée, la plus désespérée, à bord d'un simple radeau, pour une traversée de l'océan impossible. Et pourtant, au bout, c'est la liberté ! On sort secoué, épaté de ce livre comme d'un superbe roman d'aventures. À la différence

pr è s, qu'ici tout est vrai !

Love, Anger, Madness Sourcebooks, Inc.

Tom was 20 years old, broke and wanted to go to India. So he packed up his clarinet, toothbrush and sleeping bag and hitchhiked there with no money at all. Braving hunger, deserts, amoebas and rape attempts by frustrated truck drivers, Tom followed in the footsteps of the original hippies and arrived in Goa with less than a dollar to his name. -I bet this guy never worked a day in his life.-

Broadway Lights Routledge

An unpredictable, poignant, and captivating tale for readers of all ages, by the critically acclaimed author of *Only Forward*.

Soon to be a Major Motion Picture St. Martin's Press

A multilayered social and cultural analysis that focuses upon the will of civil society and the will of those who actually lived and worked in the *bagne*, or penal colony.

The Power of Stories to Shape People, History, Civilization William Morrow Paperbacks

b.A masterpiece of historical adventure, *Skeletons on the Zahara* The western Sahara is a baking hot and desolate place, home only to nomads and their camels, and to locusts, snails and thorny scrub -- and its barren and ever-changing coastline has baffled sailors for centuries. In August 1815, the US brig *Commerce* was dashed against Cape Bojador and lost, although through bravery and quick thinking the ship's captain, James Riley, managed to lead all of his crew to safety. What followed was an extraordinary and desperate battle for survival in the face of human hostility, starvation, dehydration, death and despair. Captured, robbed and enslaved, the sailors were dragged and driven through the desert by their new owners, who neither spoke their language nor cared for their plight.

Reduced to drinking urine, flayed by the sun, crippled by walking miles across burning stones and sand and losing over half of their body weights, the sailors struggled to hold onto both their humanity and their sanity. To reach safety, they would have to overcome not only the desert but also the greed and anger of those who would keep them in captivity. From the cold waters of the Atlantic to the searing Saharan sands, from the heart of the desert to the heart of man, *Skeletons on the Zahara* is a spectacular odyssey through the extremes and a gripping account of courage, brotherhood, and survival.

Banco: the Further Adventures of Papillon Open Road Media

The only English translation of "a masterpiece" (*The Nation*)—a stunning trilogy of novellas about the soul-crushing cost of life under a violent Haitian dictatorship, featuring an introduction by Edwidge Danticat Originally published in 1968, *Love, Anger, Madness* virtually disappeared from circulation until its republication in France in 2005. Set in the barely fictionalized Haiti of "Papa Doc" Duvalier's repressive rule, Marie Vieux-Chauvet's writing was so powerful and so incendiary that she was forced to flee to the United States. Yet *Love, Anger, Madness* endures. Claire, the narrator of *Love*, is the eldest of three daughters who surrenders her dreams of marriage to run the household after her parents die. Insecure about her dark skin, she fantasizes about her middle sister's French husband, while he has an affair with the youngest sister, setting in motion a complicated family dynamic that echoes the growing chaos outside their home. In *Anger*, the police terrorize a middle-class family by threatening to seize their land. The father insinuates that their only hope of salvation lies with an unspeakable act—his daughter Rose must prostitute herself—which leads to all-consuming guilt, shame, and rage. And finally, *Madness* paints a terrifying portrait of a Haitian village that has been ravaged by

militants. René, a young poet, is trapped in his family's house for days with no food and becomes obsessed with the souls of the dead that surround him.

"The nicely drawn contrast between what Irma knows and suspects and what the reader understands about her world gives Irma Voth a suspenseful charge from the first pages." —Jane Smiley, *Globe and Mail* (Toronto) In a rare coming-of-age novel that blends dark truths with uplifting transformations, acclaimed author Miriam Toews delivers the story of a young Mennonite woman, vulnerable yet wise beyond her years, who carries the burden of a terrible family secret with her during a remarkable journey of survival and redemption. Irma Voth, from the award-winning author of *Swing Low* and *A Complicated Kindness*, is a poignant and elegant exploration of one woman's difficult odyssey to discover her own potential—a path that leads her away from her close-knit community and into the wide and unknown world beyond.

Beasts of Extraordinary Circumstance Little, Brown

Synopsis: *Soon to Be a Major Motion Picture* is the life story of one of the most important activists of the 20th century. Hoffman's book opens with his reflections on his suburban Jewish upbringing and early rebelliousness and goes on to recount his involvement in the student movement at Berkeley in the early 1960s, the anti-war demonstrations of the late '60s and early '70s, and his years as a fugitive from the American justice system. Along the way he gives behind-the-scenes details about the events at the 1968 Democratic Convention in Chicago and subsequent Chicago Seven trial, his "levitation" of the Pentagon, and his friendships with Jerry Rubin, Bobby Seale, Allen Ginsberg, and many others. For this edition, his widow, Johanna Lawrenson, has written a new afterword about Hoffman's

activism in the '80s and his legacy today. Insightful, funny, and often moving, *Soon to Be a Major Motion Picture* is a self-portrait of a radical taking stock of his life's work.

The Written World Random House

"Told with brains and heart" —Michelle Gable, *New York Times* bestselling author of *A Paris Apartment* "Bristles with charm and curiosity" —Winston Groom, *New York Times* bestselling author of *Forrest Gump* "A wholly original and superbly crafted work of art, *Beasts of Extraordinary Circumstance* is a masterpiece of the imagination." —Lori Nelson Spielman, *New York Times* bestselling author of *The Life List* and *Sweet Forgiveness* "Charlotte's Web for grown-ups who, like Weylyn Grey, have their own stories of being different, feared, brave, and loved." —Mo Daviau, author of *Every Anxious Wave* Ruth Emmie Lang teaches us how to find magic in the ordinary in her magical realism debut *Beasts of Extraordinary Circumstance*. Orphaned, raised by wolves, and the proud owner of a horned pig named Merlin, Weylyn Grey knew he wasn't like other people. But when he single-handedly stopped that tornado on a stormy Christmas day in Oklahoma, he realized just how different he actually was. As amazing as these powers may appear, they tend to manifest themselves at inopportune times and places, jeopardizing not only his own life, but the life of Mary, the woman he loves. *Beasts of Extraordinary Circumstance* tells the story of Weylyn Grey's life from the perspectives of the people who knew him, loved him, and even a few who thought he was just

plain weird. Although he doesn't stay in any of their lives for long, he leaves each of them with a story to tell: great storms that evaporate into thin air; fireflies that make phosphorescent honey; a house filled with spider webs and the strange man who inhabits it. There is one story, however, that Weylyn wishes he could change: his own. But first he has to muster enough courage to knock on Mary's front door.

In 1912, the *Saint Anna*, a Russian exploration vessel in search of fertile hunting grounds, was frozen into the polar ice cap, trapping her crew aboard. For nearly a year and a half, they struggled to stay alive. As all hope of rescue faded, they realized their best chance of survival might be to set out on foot, across hundreds of miles of desolate ice, with their lifeboats dragged behind them on sledges, in hope of reaching safety. Twenty of them chose to stay aboard; thirteen began the trek; of them all, only two survived. Originally published in Russia in 1917, *In the Land of White Death* was translated into English for the first time by the Modern Library to widespread critical acclaim. As well as recounting Albanov's vivid, first-person account of his ninety-day ordeal over 235 miles of frozen sea, this expanded paperback edition contains three newly discovered photographs and an extensive new Epilogue by David Roberts based on the never-before-published diary of Albanov's only fellow survivor, Alexander Konrad. As gripping as Albanov's own tale, the Epilogue sheds new light on the tragic events of 1912–1914,

brings to life many of those who perished (including the infamous captain Brusilov and nurse Zhdanko, the only woman on board), and, inadvertently, reveals one new piece of information—about the identity of the traitors who left Albanov for dead—that is absolutely shocking. "Poetic."—The Washington Post • "A lost masterpiece."—Booklist • "A jewel of polar literature."—Seattle Post-Intelligencer • "Vivid . . . [a work of] terrifying beauty."—The Boston Globe

Dry guillotine Modern Library

Praise for the first edition of *Up Your Business!* "Dave Anderson has hit another home run! *Up Your Business!* is an invaluable, highly readable guide that should be on the desk--and in the mind--of anyone demanding top-level performance from themselves and others." --James Strock, author, *Reagan on Leadership and Theodore Roosevelt on Leadership* "*Up Your Business!* is a powerful blueprint for companies looking to take their business to the next level. It is one of the most powerful books on business and leadership I have ever read and will be a major component of Saga Communications' leadership training." --Warren Lada, Senior Vice President, Saga Communications, Inc. "Once again, Dave Anderson puts it all together in a way that almost makes you think he's been looking over your shoulder all these years. Chapter two alone, 'Abolish Corporate Welfare: Create a Culture of Merit,' is worth the time it takes to read the entire book." --Mike Roscoe, founder and President, Horizon Communications "Finally . . . a business book that gets to the heart of what matters and creates usable templates that could help any business thrive." --Roxanne Emmerich, author, *Thank God It's Monday!*

Skeletons on the Zahara John Wiley & Sons

For Billy Hayes, 1970 was a horrifying year. It was the year when he tried to smuggle 4lbs of hashish from Istanbul back to his home in America. It was the year when he was arrested at Istanbul airport,

tried, and sentenced to 30 years in a Turkish jail. For five years he suffered the filth, brutality and degradation of imprisonment in an environment of hellish squalor, while his family fought in vain to secure his release. Finally in desperation, he made a daring escape bid and incredibly the bid succeeded. This is the astounding true story, told in Billy Hayes's own words, of those five years of living hell and of the harrowing ordeal of his time on the run. Vivid and realistic without being morbid, it is a classic story of survival and human endurance, told with humour, intelligence and total honesty.

Midnight Express Harper Collins

In Banco, Henri Charriere tells the gripping story of his years on the loose in Venezuela after his escape from Devil's Island.

In the Land of White Death William Morrow

Describes how the crews of two different vessels became shipwrecked on opposite ends of the same deserted island and the very different experiences of the two groups--one of which through sheer determination and fortitude overcame the challenges of their environment, while the other descended into complete anarchy.

Quick, Simple, and Practical Magic for Every Day of the

Year Createspace Independent Publishing Platform

Henri Charriere, called "Papillon," for the butterfly tattoo on his chest, was convicted in Paris in 1931 of a murder he did not commit. Sentenced to life imprisonment in the penal colony of French Guiana, he became obsessed with one goal: "escape." After planning and executing a series of treacherous yet failed attempts over many years, he was eventually sent to the notorious prison, Devil's Island, a place from which no one had ever escaped . . . until Papillon. His flight to freedom remains one of the most incredible feats of human cunning, will, and endurance ever undertaken. Charriere's astonishing autobiography, "Papillon," was published in France to instant acclaim in 1968, more than twenty years after his final escape. Since then, it has become a treasured classic -- the gripping, shocking, ultimately uplifting odyssey of an innocent man who would not be defeated.

Papillon (Spanish Edition) ????? ???????

The 1960s was a time of social and generational upheaval felt with particular intensity in the melting pot of New York City. A culture of corruption pervaded the New York Police Department, where payoffs, protection, and shakedowns of gambling rackets and drug dealers were common practice. The so-called blue code of silence protected the minority of crooked cops from the sanction of the majority. Into this maelstrom came a working class, Brooklyn-born, Italian cop with long hair, a beard, and a taste for opera and ballet. Frank Serpico was a man who couldn't be silenced -- or bought -- and he refused to go along with the system. He had sworn an oath to uphold the law, even if the perpetrators happened to be other cops. For this unwavering commitment to justice, Serpico nearly paid with his life.
