Queen Kunti, a tragic and heroic figure, emerges from an explosive era in the history of ancient India. Her teachings are simple and illuminating outpourings revealing the deepest transcendental emotions of the heart and the deepest philosophical and theological penetrations of the intellect. At the conclusion of the devastating Kurukshetra war, Queen Kunti approaches Lord Krishna as He prepares to depart the scene of the battle. Kunti's words are words of glorification impelled by a divine love steeped in wisdom. Kunti's spontaneous glorification of Lord Krishna and her description of the spiritual path are immortalized in the Mahabharata and the Bhagavata Purana (Srimad-Bhagavatam), and they have been recited, chanted, and sung by sages and philosophers for thousands of years. As they appear in the First Canto of the Bhagavatam, Queen Kunti's celebrated prayers consist of only twenty-six couplets (verses 18 through 43 of the Eighth Chapter), yet they are considered a philosophical, theological, and literary masterpiece. Let her heartfelt words of wisdom bring solace to your soul.

Bhagawan Sri Sathya Sai Baba wrote a series of articles under the Vahini series, for Sanathana Sarathi, a monthly magazine being published by Sri Sathya Sai Sadhana Trust, Publications Division, Prasanthi Nilayam. These precious articles are brought out now, under the title "Geeta Vahini", in this book, for the benefit of readers. This is not a commentary or summary of the divine message that was given by Lord Krishna to Arjuna. It conveys the same message in a simpler form to us, in order to remove our delusion and confer faith and strength on us, so that we may realise our own reality. Bhagawan says, "Drawing on the Divine that is inherent in us is the lesson of Geeta... Arjuna is the jiva and Krishna is the Deva. When both are in contact, impregnable might results... Krishna had to work in and through Arjuna, so that the reign of Dharma (righteousness) is re-established. Arjuna means white, pure, unblemished. Hence, he is the proper instrument." We too can become proper instruments in restoring Dharma, if we follow the lessons that Bhagawan teaches through this book.

While Mahabharata's Bhagavad-Gita is taken as a philosophical guide, Ramayana's Sundara Kānda is sought for spiritual solace; many believe that reading it or hearing it recited would remove all hurdles and usher in good tidings! Miracles apart, it's in the nature of this great epic to inculcate fortitude and generate hope in man for it's a depiction of how Hanuman goes about his errand against all odds. Besides, it portrays how Seetha, on the verge of self-immolation, overcomes despair to see life in a new light? With rhythm of its verse and the flow of the narrative this sloka to sloka transcreation of the canto beautiful of Valmiki's adi kavya - the foremost poetical composition in the world, Hanuman's Odyssey that paves the way for Rama to rescue his kidnapped wife is bound to charm the readers and listeners alike. Interestingly, as the following verse illustrates, it was the forerunner of the magic realism of our times - "Gripped she then him by shadow / Cast which Hanuman coast to coast, Recalled he in dismay then / What Sugreev said at outset / That one fiend had aptitude / To grip its prey by mere shadow."

[The Songs of Shenkottai Avudai Akkal](#) Zubaan
Shenkottai Sri Avudai Akkal, a remarkable eighteenth-century woman saint from Tamil Nadu, was a self-realised advaitin who sang passionately about the ecstasy of spiritual union with the Absolute. A desolate and stigmatised Brahmin child-widow, she was initiated into Vedanta by the great master Tiruvisainallur Shridhara Venkatesa Ayyawal. Her songs, a radical elision of the metaphysical sublime and personal devotion, are narrated through existential tropes sourced from daily life, and also offer a powerful critique of the oppressive orthodox socio-religious practices of that period. Composed in simple, colloquial Tamil, and bringing hope and solace to women in general and widows in particular for almost three centuries, these songs by Avudai Akkal were preserved within the oral tradition by Brahmin women of Tirunellveli district who sang them on all occasions. The songs were documented in the nineteenth and twentieth centuries and have appeared in many Tamil publications. They appear in English translation for the first time in this book. Each song is accompanied by annotations and themed essays. Published by Zubaan.

Bhagawan says that treading the spiritual path is like walking on a razor's edge. One has to be ever vigilant, train the mind to dwell on the Lord constantly. To quote Bhagawan, "Control the senses, which run helter-skelter; then, the origins of the disease will be destroyed. Let the mind keep a watch over its gymnastics; dam up the mad flood of thoughts and plans and schemes; then, there will be no room for worries and anxieties in the mind. To diminish the wanderings of your thoughts, repeat the name of the Lord; that will keep out your sorrows and troubles. Without the effacement of the mind, spiritual wisdom cannot

be dawn. The full person is one, who has succeeded in this." One should practise meditation assiduously, since it is the basis of all spiritual practice (Sadhana). Bhagawan says that one should fasten the mind on the Lord and keep off all other thoughts from the mental plane. That is the full fruition of meditation. For aspirants, who want to lead a God-centric life, careful reading of this Vahini will help them to reach the goal of life.

This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesas ascent to earth in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesa's birth and family as well as some extended and quite humorous myths about ideal devotees of the god. The translation is preceded by a long introduction offering a geographical and historical context for the GanesaPurana. Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present the many myths and narratives in a coherent and fully integrated manner.
