Platform
Provides a child-rearing guide for difficult-to-handle children and is intended for parents needing help with sibling rivalry, ADHD, low self esteem, and other birth-adolescent issues. The Paper Palace Revell
Every child has an off day when nothing seems to go right, but for some, angry outbursts, frustration, and resentment are the norm. When a child's anger threatens to jeopardize his school and social life and introduces an element of strain into the family dynamics that affects every member, it's time for a parent to ask:

When is angry too angry? Child psychologist Dr. Tim Murphy has addressed this very question with hundreds of families, helping them to understand both the causes and the repercussions of childhood anger and to devise effective strategies for defusing the time bomb in their midst. Whether it's a toddler staging a tantrum, a grade-schooler unable to make friends, or a sulking preteen who greets every adult request with antagonism, parents of angry children are baffled by both the depth and the root of their child's unhappiness. And when small social problems and household disputes regularly escalate into

full-fledged battles, it's nearly impossible for parents to distance themselves enough from the situation to find a perspective that will remedy it. With simple, direct techniques, Dr. Murphy shows it is possible to help an angry child understand what triggers his outbursts and develop new approaches for coping with potentially explosive situations. Identifying the ten telling characteristics of an angry child, Dr. Murphy provides examples from his clinical experience to help adults guide their children to more appropriate responses. Dr. Murphy also alerts readers to parenting styles that work best for these volatile children, explaining how a

parent's own behavior can sometimes escalate a child's meltdowns. He pinpoints the moments when anger moves from a normal emotional expression to an extreme one, indicative of a larger problem. In a special chapter devoted to winning daily battles, Dr. Murphy offers advice on situations in which an angry child's temper is most likely to flare. The *Angry Child* is destined to be a classic. With real solutions for the concerns of millions of parents, Dr. Murphy offers answers and hope for the families and educators of unhappy children of all ages. *The Complete Marriage and Family Home Reference Guide*

Simon and Schuster
NOW A MAJOR MOTION PICTURE—The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, hailed by The New York Times Book Review as “ a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature. ” For years, rumors of the “ Marsh Girl ” have haunted Barkley Cove, a quiet town on the North

Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until

the unthinkable happens. Where the *Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

Hailed by Toni

Morrison as “required reading,” a bold and personal literary exploration of America’s racial history by “the most important essayist in a generation and a writer who changed the national political conversation about race” (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE’S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times

San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation’s history and current crisis. Americans have built an empire on the idea of “race,” a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened,

locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates’s attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children’s

lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward. Parenting Isn't for Cowards Tyndale House Publishers, Inc.

Does your heart skip a beat when you think of all that could go wrong in the parenting years ahead? Anxiety is normal, but your worst fears don't have to become reality. Speaking both as a therapist and a father—and

noted Texan writers
combine forces to
tell the real story of
the Alamo,
dispelling the
myths, exploring
why they had their
day for so long, and
explaining why the
ugly fight about its
meaning is now
coming to a head.
Every nation needs
its creation myth,
and since Texas
was a nation before

it was a state, it's no
surprise that its
myths bite deep.
There's no piece of
history more
important to Texans
than the Battle of
the Alamo, when
Davy Crockett and
a band of rebels
went down in a
blaze of glory
fighting for
independence from
Mexico, losing the
battle but setting
Texas up to win the
war. However, that
version of events, as
Forget the Alamo
definitively shows,
owes more to
fantasy than reality.
Just as the site of the
Alamo was left in
ruins for decades, its
story was forgotten
and twisted over
time, with the
contributions of

Tejanos--Texans of
Mexican origin, who
fought alongside the
Anglo
rebels--scrubbed
from the record, and
the origin of the
conflict over
Mexico's push to
abolish slavery
papered over.
Forget the Alamo
provocatively
explains the true
story of the battle
against the backdrop
of Texas's struggle
for independence,
then shows how the
sausage of myth got
made in the Jim
Crow South of the
late nineteenth and
early twentieth
century. As
uncomfortable as it
may be to hear for
some, celebrating
the Alamo has long
had an echo of

celebrating whiteness. In the past forty-some years, waves of revisionists have come at this topic, and at times have made real progress toward a more nuanced and inclusive story that doesn't alienate anyone. But we are not living in one of those times; the fight over the Alamo's meaning has become more pitched than ever in the past few years, even violent, as Texas's future begins to look more and more different from its past. It's the perfect time for a wise and generous-spirited book that shines the bright light of the truth

into a place that's gotten awfully dark. Book of a Thousand Days Knopf Books for Young Readers Few pastors or Christian writers have dared to approach the subject of how proper eating and an active lifestyle can affect how we serve God. Author Gary Thomas does just that. And he reaches all the way back to the apostle Paul, who wrote that we need to prime our bodies to become, "an instrument for noble purposes, made holy, useful to the Master and prepared to do any good work." To illustrate the body/soul correlation, Thomas presents engaging and diverse stories that include a young mom who got fit

through volleyball and reaped spiritual rewards in her marriage, a 300-pound pastor who realized his obesity was eroding his ministry impact, and a woman who gained the spiritual strength to survive a contentious divorce by training for a marathon. In every instance, Thomas makes a direct connection between the physical challenge and its spiritual consequence. This book is a must read for anyone seeking new and compelling motivation for strengthening their bodies and fortifying their souls.

Family First
Penguin
Do you feel that your family is not what it used to be,

or what it has the potential to be? Do you worry that the parenting decisions you're making today may be scarring your child for life? Do you sometimes feel you are in a tug-of-war with the world over who will shape your child's values and beliefs?

With Family First: Your Step-by-Step Plan for Creating a Phenomenal Family, Dr. Phil offers a new classic on family life—and gives parents real answers and a plan for being the most positive and effective parents possible. Starting right now, you can

begin to make realistic choices and take day-to-day actions that can make your family phenomenal. You must decide that you will lead your family with strength and love and that peace and joy are not just for the people next door or on TV. They're for your family. In **Family First,** Dr. Phil gives it to parents straight: even in this fast-paced world your family should be the center of your life and your child's life. Parenting is the most important and noble act you

will ever undertake, yet American families are threatened like never before from the inside as well as the outside—many of us fight too much, don't get involved enough in our children's lives, or get bogged down in life's daily struggles instead of keeping our eye on the big picture of our family's well-being. Dr. Phil has been working with families for over twenty-five years to help them repair the fissures that have fractured their home lives. In **Family First,** he provides a proven

action plan to help parents determine the strengths and weaknesses of their parenting style. His seven tools for purposeful parenting cover the most important elements for any parent: parenting for success—for the purpose of raising cooperative, caring, and competent children. Exercises, scripts, assessments, solutions for specific problems, and precise directions for implementing the steps you need to take are all included in this

landmark work. Dr. Phil shows parents how to make changes now—how to put a stop to your children's tantrums; talk to them about peer pressure or self-esteem; instill values like integrity, honesty, and respect for other people; and bring order back to your house. If you want your child to have a happy, fulfilled life, you must open your eyes to the crucial role you play in his or her development. Most importantly, Dr. Phil's new book offers you and

your family hope—for a phenomenal home life now, and a productive, fulfilling future for your children. As Dr. Phil says, you are not just raising children, you are also raising adults, and everything you do today impacts what kind of adult your child will become. You are building the future. Catch Them Young, Inc. Tyndale Momentum I hate you, Fuller James. I hate your floppy hair and your lopsided grin and those laughing blue eyes that always seem

to be laughing at me. I hate that you 're the most popular guy in school and I 'm still the girl who sneezed and spit out her retainer on someone at a middle school dance. It 's just such a clich é . I hate that I 'm being forced to tutor you in English and keep it a secret from everyone. Because otherwise it might put our basketball team 's chances at winning State in jeopardy, and even though I hate you, I love basketball. I hate that it seems like you 're keeping a secret

from me...and that the more time we spend together, the less I feel like I 'm on solid ground. Because I 'm starting to realize there 's so much more to you than meets the eye. Underneath it all, you 're real. But what I hate most is that I really don 't hate you at all. Josh and Gemma Make A Baby NavPress The Newbery Medal and Coretta Scott King Award-winning classic about a boy who decides to hit the road to find his father—from Christopher Paul

Curtis, author of The Watsons Go To Birmingham—1963, a Newbery and Coretta Scott King Honoree. It 's 1936, in Flint Michigan. Times may be hard, and ten-year-old Bud may be a motherless boy on the run, but Bud 's got a few things going for him: 1. He has his own suitcase full of special things. 2. He 's the author of Bud Caldwell 's Rules and Things for Having a Funner Life and Making a Better Liar Out of Yourself. 3. His momma never told him who his father

was, but she left a clue: flyers advertising Herman E. Calloway and his famous band, the Dusky Devastators of the Depression!!!!!! Bud ' s got an idea that those flyers will lead him to his father. Once he decides to hit the road to find this mystery man, nothing can stop him—not hunger, not fear, not vampires, not even Herman E. Calloway himself.

Combines The Strong-Willed Child and Parenting Isn't for Cowards.

Parenting with Love and Logic

Xulon Press

Dorothy Law Nolte, a lifelong teacher and lecturer on family dynamics, presents a simple but powerful guide to parenting the old-fashioned way: instilling values through example.

Dr. Nolte's inspiration ó Children Learn What They Live, O the celebrated poem she wrote in 1954.

Written with

psychotherapist

Rachel Harris, each of the 19 couplets of the poem is developed into a chapter ó on jealousy, shame, praise, recognition, honesty, fairness, tolerance, and more.

Positive, realistic, filled with a rare common sense, it is a book to help parents find their own parenting wisdom, and to raise children with a surer, steadier, more understanding hand.

I Hate You, Fuller

James Faith Words

A reference source for concerned parents covers issues of discipline, schooling, finances, sibling rivalry, and the dreaded teen years, among other important topics.
