Night Light for Parents Currency

'My name is Laddy Merridew. I'm a cry-baby. I'm sorry.' 'And my name is Ianto Jenkins. I am a coward. And that's worse.'

Nine-year old Laddy Merridew, sent to live with the grandmother he barely knows, stumbles off the bus into a small Welsh mining town, where he begins an unlikely friendship with Ianto 'Passchendaele' Jenkins, the town beggar. Through Ianto, Laddy learns of the collapse decades earlier of the coal mine of Kindly Light: a disaster whose legacy has echoed down through the generations and shaped the lives of all who live in the shadow of the colliery, especially Ianto, the keeper of all their stories. Thaddeus 'Icarus' Evans strives in vain to carve wooden feathers that will float; 'Half' Harris and Matty Harris

have the same mother and yet have spent a lifetime ignoring each other; 'Baker' Bowen - despite carrying the name of his forebears - has never learned to bake, and James Little, the gas-meter emptier, digs in his allotment by moonlight, his pockets filled with the treasures of his neighbours. Along with the other men of the town and the women who mothered them, married them and mourned them, they are bound together by the shared tragedy of Kindly Light and by the mysterious figure of Ianto Jenkins.

Parenting Isn't for Cowards

Tyndale House Publishers, Inc.

Woerner has experienced Grumpy Mom more often than she'd care to admit. She shares what she's learned so far about sending Grumpy Mom packing and embracing a

joyful, intentional motherhood that is so much better.

The Paper Palace Knopf Books for Young Readers

Advises parents to reject the permissive approach to raising children and advocates a program that combines love and discipline

Bud, Not Buddy Bbs Publishing Corporation

When a beautiful princess refuses to marry the prince her father has chosen, her father is furious and locks her in a tower. She has seven long years of solitude to think about her insolence. But the princess is not entirely alone - she has her maid, Dashti. Petulant and spoilt, the princess eats the food in their meagre store as if she were still at court, and Dashti soon realises they must either escape or slowly starve. But during their captivity, resourceful Dashti discovers that there is something far more sinister behind her princess's fears of marrying the prince, and when they do break free from the tower, they find a land laid to waste and

the kingdom destroyed. They were safe in the tower, now they are at the mercy of the evil prince with a terrible secret. Thrilling, captivating, and a masterful example of storytelling at its best. The princess's maid is a feisty and thoroughly modern heroine, in this wonderfully timeless story.

Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation ' s history and current crisis. Americans have built an empire on the idea of " race, " a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates ' s attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from

the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

The Strong-willed Child / Parenting Isn't for Cowards
Bloomsbury Publishing USA

Do you feel that your family is not what it used to be, or what it has the potential to be? Do you worry that the parenting decisions you're making today may be scarring your child for life? Do you sometimes feel you are in a tug-of-war with the world over who will shape your child's values and beliefs? With *Family First: Your Step-by-Step Plan for Creating a Phenomenal Family*, Dr. Phil offers a new classic on family life—and gives parents real answers and a plan for being the most positive and

effective parents possible. Starting right now, you can begin to make realistic choices and take day-to-day actions that can make your family phenomenal. You must decide that you will lead your family with strength and love and that peace and joy are not just for the people next door or on TV. They're for your family. In *Family First*, Dr. Phil gives it to parents straight: even in this fast-paced world your family should be the center of your life and your child's life. Parenting is the most important and noble act you will ever undertake, yet American families are threatened like never before from the inside as well as the outside—many of us fight too much, don't get involved enough in our children's lives, or get bogged down in life's daily struggles instead of keeping our eye on the big picture of our family's well-being. Dr. Phil has been working with families for over twenty-five years to help them repair the fissures that have fractured their home lives. In *Family First*, he provides a proven action plan to help parents determine the strengths and

weaknesses of their parenting style. His seven tools for purposeful parenting cover the most important elements for any parent: parenting for success—for the purpose of raising cooperative, caring, and competent children. Exercises, scripts, assessments, solutions for specific problems, and precise directions for implementing the steps you need to take are all included in this landmark work. Dr. Phil shows parents how to make changes now—how to put a stop to your children's tantrums; talk to them about peer pressure or self-esteem; instill values like integrity, honesty, and respect for other people; and bring order back to your house. If you want your child to have a happy, fulfilled life, you must open your eyes to the crucial role you play in his or her development. Most importantly, Dr. Phil's new book offers you and your family hope—for a phenomenal home life now, and a productive, fulfilling future for your children. As Dr. Phil says, you are not just raising children, you are also raising adults, and everything you do today impacts what

kind of adult your child will become. You are building the future.

The New Strong-Willed Child W. W. Crown
#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE 'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist – books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. Bringing Up Girls Tyndale House Publishers, Inc. REESE’S BOOK CLUB PICK INSTANT #1 NEW YORK TIMES BESTSELLER OVER 1 MILLION COPIES SOLD WORLDWIDE THE PAPER PALACE IS: “ Filled with secrets, love, lies and a summer beach house. What more could you ask? ” —Parade “ A deeply emotional love story...the unraveling of secrets, lies and a very complex love triangle. ” —Reese Witherspoon (Reese ’ s Book Club July ’ 21 Pick) "Nail-biting." —Town & Country “ A magnificent page-turner. ” —Cynthia D ’ Aprix Sweeney, New York Times bestselling author “ [An] irresistible placement of a complicated family in a bewitching place. ” —The New York Times A story of summer, secrets, love, and lies: in the course of a singular day on Cape Cod, one woman must make a life-changing decision that has been brewing for

decades. “ This house, this place, knows all my secrets. ” It is a perfect August morning, and Elle, a fifty-year-old happily married mother of three, awakens at “ The Paper Palace ” —the family summer place which she has visited every summer of her life. But this morning is different: last night Elle and her oldest friend Jonas crept out the back door into the darkness and had sex with each other for the first time, all while their spouses chatted away inside. Now, over the next twenty-four hours, Elle will have to decide between the life she has made with her genuinely beloved husband, Peter, and the life she always imagined she would have had with her childhood love, Jonas, if a tragic event hadn ’ t forever changed the course of their lives. As Heller colors in the experiences that have led Elle to this day, we arrive at her ultimate decision with all its complexity. Tender yet devastating, *The Paper Palace* considers the tensions between desire and dignity, the legacies of abuse, and the crimes and misdemeanors of families.

Your Legacy Revell

Provides advice for Christian parents on the true meaning of femininity, how to cope with the challenges involved in raising girls, and how to bring up their daughters to be happy, healthy, and God-fearing.

Ulysses Workman Publishing Company

I hate you, Fuller James. I hate your floppy hair and your lopsided grin and those laughing blue eyes that always seem to be laughing at me. I hate that you ’ re the most popular guy in school and I ’ m still the girl who sneezed and spit out her retainer on someone at a middle school dance. It ’ s just such a clich é . I hate that I ’ m being forced to tutor you in English and keep it a secret from everyone. Because otherwise it might put our basketball team ’ s chances at winning State in jeopardy, and even though I hate you, I love basketball. I hate that it seems like you ’ re keeping a secret from me...and that the more time we spend

together, the less I feel like I ' m on solid ground. Because I ' m starting to realize there ' s so much more to you than meets the eye. Underneath it all, you ' re real. But what I hate most is that I really don ' t hate you at all.

The Dr. James Dobson Parenting Collection Parenting Isn't for Cowards

A reference source for concerned parents covers issues of discipline, schooling, finances, sibling rivalry, and the dreaded teen years, among other important topics. Original.

Parents' Answer Book Xulon Press

A solid sense of self-worth helps children make good choices, develop healthy relationships, and work to achieve their dreams. Based on a biblical understanding of human value, Building Confidence in Your Child teaches moms and dads how to parent positively to help their children grow into secure adults who are poised for success in life. Deftly balancing the

principles of humility and pride, trusted author and parenting expert Dr. James Dobson offers practical pointers that break through the theories and get right down to the decisions parents have to make every day.

The World's Most Powerful Leadership Principle Dial Press Trade Paperback

Every child has an off day when nothing seems to go right, but for some, angry outbursts, frustration, and resentment are the norm. When a child's anger threatens to jeopardize his school and social life and introduces an element of strain into the family dynamics that affects every member, it's time for a parent to ask: When is angry too angry? Child psychologist Dr. Tim Murphy has addressed this very question with hundreds of families, helping them to

understand both the causes and the repercussions of childhood anger and to devise effective strategies for defusing the time bomb in their midst. Whether it's a toddler staging a tantrum, a grade-schooler unable to make friends, or a sulking preteen who greets every adult request with antagonism, parents of angry children are baffled by both the depth and the root of their child's unhappiness. And when small social problems and household disputes regularly escalate into full-fledged battles, it's nearly impossible for parents to distance themselves enough from the situation to find a perspective that will remedy it. With simple, direct techniques, Dr. Murphy shows it is possible to help an angry child understand what triggers his outbursts and

develop new approaches for coping with potentially explosive situations. Identifying the ten telling characteristics of an angry child, Dr. Murphy provides examples from his clinical experience to help adults guide their children to more appropriate responses. Dr. Murphy also alerts readers to parenting styles that work best for these volatile children, explaining how a parent's own behavior can sometimes escalate a child's meltdowns. He pinpoints the moments when anger moves from a normal emotional expression to an extreme one, indicative of a larger problem. In a special chapter devoted to winning daily battles, Dr. Murphy offers advice on situations in which an angry child's temper is most likely to flare. The Angry Child is destined to be a

classic. With real solutions for the concerns of millions of parents, Dr. Murphy offers answers and hope for the families and educators of unhappy children of all ages. Children Learn What They Live Tyndale Momentum

Dorothy Law Nolte, a lifelong teacher and lecturer on family dynamics, presents a simple but powerful guide to parenting the old-fashioned way: instilling values through example. Dr. Nolte's inspiration for Children Learn What They Live, the celebrated poem she wrote in 1954. Written with psychotherapist Rachel Harris, each of the 19 couplets of the poem is developed into a chapter on jealousy, shame, praise, recognition, honesty, fairness, tolerance, and more. Positive, realistic, filled with a rare common sense, it is a book to help parents find

their own parenting wisdom, and to raise children with a surer, steadier, more understanding hand.

The Bridge at Andau W Publishing Group
We live in a culture that seeks to destroy the embryonic faith of our children and usher them into politically correct ideology, godless systems of belief, and gross immorality that would have shocked previous generations. This is what confronts today's Christian parents and many of them are terrified of it. We live in truly perilous times. But the good news is there is a way you can be victorious in this battle for the hearts, minds, and souls of your precious children. Whatever stage you are in as a parent or grandparent, you can leave a spiritual legacy that will equip your children

and grandchildren with an unshakable heritage of faith. YOUR LEGACY tells you how by presenting: Dr. Dobson's personal story of his own spiritual legacy Strategies for the spiritual training of children Help for parents of prodigals Hope for reaching unsaved parents Principles for building a love relationship with your children Testimonies from parents who got it right Stories you can read to your children for leaving your legacy Steps you can take to lead your child to Christ How can you teach your children what matters most? It is by being intentional about their spiritual training. YOUR LEGACY will help you make that the central priority of your family. The Coward's Tale Tyndale Momentum Few pastors or Christian writers have dared to approach the subject of how proper eating and an active lifestyle can affect how we serve God. Author Gary Thomas does just that. And he reaches all the way back to the apostle Paul, who wrote that we need to prime our bodies to become, "an instrument for noble purposes, made holy, useful to the Master and prepared to do any good work." To illustrate the body/soul correlation, Thomas presents engaging and diverse stories that include a young mom who got fit through volleyball and reaped spiritual rewards in her marriage, a 300-pound pastor who realized his obesity was eroding his ministry impact, and a woman who gained the spiritual strength to survive a contentious divorce by training for a marathon. In every instance, Thomas makes a direct connection

between the physical challenge and its spiritual consequence. This book is a must read for anyone seeking new and compelling motivation for strengthening their bodies and fortifying their souls.
