Guides from Reading Rockets | Reading Rockets

Is there a parental guide website for books? Just curious if there is a site when you could look up the parental guide for books before I let my kids read them. Like how many cuss words, which ones, any sexual related scenes, kinda like an IMDB.com but just for books.

The New York Times Parent's Guide to the Best Books for ...

Parents' Discussion Guide What happens before a child enters kindergarten is vital to reading success. And research shows that when parents play a role in their child's academic career, students have better attendance, make greater achievement gains, and have fewer behavior problems.

Homeschool Kids: A Parent Guide | Scholastic | Parents

The book is an encouragement for parents that something CAN be done to help their child, and also a warning to not fall prey to every new whim in treatments. Consider the quality of your child's life and the whole family before risking everything on some unproven course of action.

I think they named this book "A Parent's Guide to Preventing Homosexuality", because "A Parent's Guide to Causing Your Homosexual Child to Kill H/herself" would seem too creepy. As for Nicolosi: I would love to say two certain words to you that have a finger gesture to go with it.
