The Streets of Paris Simon and Schuster  
“ Get ready for a beauty overload. It ’ s food for the soul, it ’ s a book of dreams and details, of flowers so perfect you want to hug them to you. ” —Carla Coulson, author of Paris Tango Paris—City of Love, City of Light, City of Flowers. From elegant floral boutiques to lively flower markets to glorious blooming trees and expansive public gardens, flowers are the essential ingredient to the lush sensory bouquet that is Parisian life. With beautiful photography, Paris in Bloom transports readers on a stunning floral tour of the city, and provides recommendations to the best flower markets and a detailed guide to spring blooms. Timeless in content, Paris in Bloom is a book for Paris lovers to savor again and again, one to keep on the nightstand to conjure fond memories of their first visit and inspire dreams of

the next. “ Brilliantly captures the splendor of French fleurs with lush photographs and elegant prose . . . A masterpiece! ” —Laura Dowling, former chief floral designer at the White House “ I don ’ t know how Georgianna does it. She manages to make Paris, already the most beautiful city in the world, appear even more charming, more elegant and more beautiful than it already is . . . Paris in Bloom is filled with a veritable carpet of pinks and whites, pastels and green portraits that make me let out an audible sigh of joy. This book can re-inspire you to believe that yes, life really is quite beautiful. ” —Doni Belau, author of Paris Cocktails “ Destined to become a classic of its type, Paris in Bloom is Georgianna Lane ’ s love letter to Paris and to flowers. ” —Gray Levett, editor of Nikon Owner magazine

An American in Paris presents thirty essays describing different aspects of the "city of light."

Henri's Walk to Paris WEST AGORA INT  
S.R.L.

The #1 bestseller that tells the remarkable story of the generations of American artists, writers, and doctors who traveled to Paris, fell in love with the city and its people, and changed America through what they learned, told by America's master historian, David McCullough. Not all pioneers went west. In *The Greater Journey*, David McCullough tells the enthralling, inspiring—and until now, untold—story of the adventurous American artists, writers, doctors, politicians, and others who set off for Paris in the years between 1830 and 1900, hungry to learn and to excel in their work. What they achieved would profoundly alter American history. Elizabeth

Blackwell, the first female doctor in America, was one of this intrepid band. Another was Charles Sumner, whose encounters with black students at the Sorbonne inspired him to become the most powerful voice for abolition in the US Senate. Friends James Fenimore Cooper and Samuel F. B. Morse worked unrelentingly every day in Paris, Morse not only painting what would be his masterpiece, but also bringing home his momentous idea for the telegraph. Harriet Beecher Stowe traveled to Paris to escape the controversy generated by her book, *Uncle Tom's Cabin*. Three of the greatest American artists ever—sculptor Augustus Saint-Gaudens, painters Mary Cassatt and John Singer Sargent—flourished in Paris, inspired by French masters. Almost forgotten today, the heroic American ambassador Elihu Washburne bravely remained at his post through the Franco-Prussian War, the long Siege of Paris, and the

---

nightmare of the Commune. His vivid diary account of the starvation and suffering endured by the people of Paris is published here for the first time. Telling their stories with power and intimacy, McCullough brings us into the lives of remarkable men and women who, in Saint-Gaudens' phrase, longed "to soar into the blue."

Paris, Paris, Journey Into the City of Light Open Road Media

"An intriguing, concise history of Paris, beautifully illustrated by works from the archives of the museums of Paris, this delightful book takes the reader on a journey from the earliest settlement in the area via the grand architecture of the seventeenth and eighteenth centuries and brings them right up to the present day and the ever-changing landscape of Europe's biggest metropolis. Acknowledging along the way the people and events that have helped to shape its

history - from the Sun King to one of the world's most significant and bloodiest revolutions, to the artists, writers and entertainers who have sought and found inspiration from the city's streets, Paris is unique in containing 20 facsimile documents that highlight key moments from the city's magnificent history."--Publisher's description.

*The Book of Disquiet: The Complete Edition*  
Lonely Planet

Paris and the Musical explores how the famous city has been portrayed on stage and screen, investigates why the city has been of such importance to the genre and tracks how it has developed as a trope over the 20th and 21st centuries. From global hits An American in Paris, Gigi, Les Misérables, Moulin Rouge! and The Phantom of the Opera to the less widely-known Bless the Bride, Can-Can, Irma la Douce and Marguerite, the French capital is

---

a central character in an astounding number of Broadway, Hollywood and West End musicals. This collection of 18 essays combines cultural studies, sociology, musicology, art and adaptation theory, and gender studies to examine the envisioning and dramatisation of Paris, and its depiction as a place of romance, hedonism and libertinism or as 'the capital of the arts'. The interdisciplinary nature of this collection renders it as a fascinating resource for a wide range of courses; it will be especially valuable for students and scholars of Musical Theatre and those interested in Theatre and Film History more generally.

### **Unveiling Paris - Your Guide to the City of Lights and Romance** XinXii

For the seasoned Parisian traveller or the novice looking to get off the beaten track Cahill provides a roadmap to parts of the city most

visitors will never see. In a city that is the destination of millions of travelers every year, it can be difficult to find your way to its lovely, serene spaces. Away from the madding crowds, the gardens of Paris offer the balm of flowers, tall old trees, fountains, ponds, sculptures, with quiet Parisians reading *Le Monde*, taking the sun, relishing the peace. These places are often tucked away, off the beaten tourist track, and without a guide they're easy to miss: The Jardin de l'Atlantique, out of sight on the roof of Gare Montparnasse. The enchanting Jardin de la Vallee Suisse, invisible from the street, accessible only if you know how to find the path. The Square Boucicaut, its children's carousel hidden inside a grove of oak and maples. Square Batignolles, the shade of the old chestnut trees an inspiration to the painter edouard Manet and poet Paul Verlaine. Hidden

---

Gardens of Paris features 40 such oases in quartiers both posh and plain, as well as dozens of others Nearby to the featured green space. It is arranged according to the geographic sections of the city Ile de la Cite, Left Bank, Right Bank, Western Paris, Eastern Paris a lively and informative guide that focuses on each place as a site of passionate cultural memory.

### **The Other Paris** Penguin

If Adam Gopnik's Paris to the Moon described daily life in contemporary Paris, this book describes daily life in Paris throughout its history: a history of the city from the point of view of the Parisians themselves. Paris captures everyone's imaginations: It's a backdrop for Proust's fictional pederast, Robert Doisneau's photographic kiss, and Edith Piaf's serenaded soldier-lovers; a home as much to romance and love poems as to prostitution and opium dens.

The many pieces of the city coexist, each one as real as the next. What's more, the conflicted identity of the city is visible everywhere—between cobblestones, in bars, on the métro. In this lively and lucid volume, Andrew Hussey brings to life the urchins and artists who've left their marks on the city, filling in the gaps of a history that affected the disenfranchised as much as the nobility. Paris: The Secret History ranges across centuries, movements, and cultural and political beliefs, from Napoleon's overcrowded cemeteries to Balzac's nocturnal flight from his debts. For Hussey, Paris is a city whose long and conflicted history continues to thrive and change. The book's is a picaresque journey through royal palaces, brothels, and sidewalk cafés, uncovering the rich, exotic, and often lurid history of the world's most beloved city.

## **Paris Chic** Vintage

For the first time—and in the best translation ever—the complete Book of Disquiet, a masterpiece beyond comparison The Book of Disquiet is the Portuguese modernist master Fernando Pessoa’s greatest literary achievement. An “autobiography” or “diary” containing exquisite melancholy observations, aphorisms, and ruminations, this classic work grapples with all the eternal questions. Now, for the first time the texts are presented chronologically, in a complete English edition by master translator Margaret Jull Costa. Most of the texts in The Book of Disquiet are written under the semi-heteronym Bernardo Soares, an assistant bookkeeper. This existential masterpiece was first published in Portuguese in 1982, forty-seven years after Pessoa’s death. A monumental literary event, this exciting,

new, complete edition spans Fernando Pessoa’s entire writing life.

## **A Waiter in Paris** Assouline Publishing

From the New York Times bestselling author of My Paris Kitchen and L'Appart, a deliciously funny, offbeat, and irreverent look at the city of lights, cheese, chocolate, and other confections. Like so many others, David Lebovitz dreamed about living in Paris ever since he first visited the city and after a nearly two-decade career as a pastry chef and cookbook author, he finally moved to Paris to start a new life. Having crammed all his worldly belongings into three suitcases, he arrived, hopes high, at his new apartment in the lively Bastille neighborhood. But he soon discovered it's a different world en France. From learning the ironclad rules of social conduct to the mysteries of men's footwear,

---

from shopkeepers who work so hard not to sell you anything to the etiquette of working the right way around the cheese plate, here is David's story of how he came to fall in love with—and even understand—this glorious, yet sometimes maddening, city. When did he realize he had morphed into un vrai parisien? It might have been when he found himself considering a purchase of men's dress socks with cartoon characters on them. Or perhaps the time he went to a bank with 135 euros in hand to make a 134-euro payment, was told the bank had no change that day, and thought it was completely normal. Or when he found himself dressing up to take out the garbage because he had come to accept that in Paris appearances and image mean everything. Once you stop laughing, the more than fifty original recipes, for dishes both savory and sweet, such as Pork

Loin with Brown Sugar–Bourbon Glaze, Braised Turkey in Beaujolais Nouveau with Prunes, Bacon and Bleu Cheese Cake, Chocolate-Coconut Marshmallows, Chocolate Spice Bread, Lemon-Glazed Madeleines, and Mocha–Crème Fraîche Cake, will have you running to the kitchen for your own taste of Parisian living.

### *A Paris Year Papilio*

In this charming and informative guide to Paris, Vonne takes readers on a journey through the city's most enchanting neighborhoods and landmarks. With vivid descriptions of the city's architecture, art, and culture, Vonne transports readers to the magical world of Paris by the Seine. Paris by Design is the definitive Paris book for the design-savvy traveler and creatively curious Francophile. With a combination of interviews, profiles, essays, tips, and lists, author and designer Eva Jorgensen explores why Paris has such a magnetic pull for artists and design lovers, by introducing us to some of the city's most fascinating residents and frequent visitors. Jorgensen has wrangled an eclectic and exciting group of contributors—creatives based in Paris and abroad—who offer travel tips and insight into Paris's fashion, design, craft, and art scenes. Recommending more than 450 places to visit, shop, stay, eat, and drink, this richly illustrated book is both an inspirational source for satiating design-centric wanderlust and a practical guide full of

---

places creatives will want to visit when they take a trip.

Waking Up in Paris W. W. Norton & Company

From the grand master of the historical novel comes a dazzling epic portrait of Paris that leaps through centuries as it weaves the tales of families whose fates are forever entwined with the City of Lights. As he did so brilliantly in *London: The Novel* and *New York: The Novel*, Edward Rutherford brings to life the most magical city in the world: Paris. This breathtaking multigenerational saga takes readers on a journey through thousands of years of glorious Parisian history--from its founding under the Romans to the timeless love story of Abelard and Heloise against the backdrop of the building of Notre Dame; to the martyrdom of Joan of Arc during the Hundred Years War; to the dangerous manipulations of Cardinal Richelieu and the bloody religious conflicts between Catholics and Protestants; to the gilded glories of Versailles; to the horrors of the

French Revolution and the conquests of Napoleon; to the beauty and optimism of the belle époque when Impressionism swept the world; to the hotbed of cultural activity of the 1920s and '30s that included Picasso, Salvador Dali, Ernest Hemingway, and the writers of the Lost Generation; to the Nazi occupation and the incredible efforts of the French Resistance. Even more richly detailed, thrilling, and romantic than anything Rutherford has written before, *Paris: The Novel* illuminates thousands of years in the City of Lights through intimate and vivid tales of characters both fictional and true, and with them, the sights, scents, and tastes of Paris come to sumptuous life.

Paris, Paris, Journey Into the City of Light  
Chronicle Books

Recounts how the author's marriages to Peter Jennings and the late Richard Holbrooke were shaped by the beauty and allure of Paris, where she found love and

---

healing against a backdrop of historical events.

The Only Street in Paris: Life on the Rue des Martyrs Simon and Schuster

'Paris is the World, the rest of the Earth is nothing but its suburbs' - Marivaux In this intelligently-written and supremely entertaining new history, Colin Jones seeks to give a sense of the city of Paris as it was lived in and experienced over time. The focal point of generation upon generation of admirers and detractors, a source of attraction or repulsion even for those who have never been there, Paris has witnessed more extraordinary events than any other major city. No spot on earth has been more walked around, written about, discussed, painted and photographed. With an eye for the revealing, startling and (sometimes) horrible detail, Colin Jones takes the reader from Roman Paris to the present, recreating the ups and downs in the history of the city and its inhabitants.

Attentive to both the urban environment and to the

experience of those who lived within it, **PARIS: BIOGRAPHY OF A CITY** will be hugely enjoyed by habitual Paris obsessives, by first-time visitors, and by those who know the city only by repute.

**City Trails - Paris Anchor**

Paris. The name alone conjures images of chestnut-lined boulevards, sidewalk cafés, breathtaking façades around every corner--in short, an exquisite romanticism that has captured the American imagination for as long as there have been Americans. In 1995, Adam Gopnik, his wife, and their infant son left the familiar comforts and hassles of New York City for the urbane glamour of the City of Light. Gopnik is a longtime New Yorker writer, and the magazine has sent its writers to Paris for decades--but his was above all a personal

---

pilgrimage to the place that had for so long been the undisputed capital of everything cultural and beautiful. It was also the opportunity to raise a child who would know what it was to romp in the Luxembourg Gardens, to enjoy a croque monsieur in a Left Bank café--a child (and perhaps a father, too) who would have a grasp of that Parisian sense of style we Americans find so elusive. So, in the grand tradition of the American abroad, Gopnik walked the paths of the Tuileries, enjoyed philosophical discussions at his local bistro, wrote as violet twilight fell on the arrondissements. Of course, as readers of Gopnik's beloved and award-winning "Paris Journals" in *The New Yorker* know, there was also the matter of raising a child and carrying on with day-to-day, not-so-fabled life. Evenings with French intellectuals preceded middle-of-the-night baby feedings; afternoons were filled with trips to the Musée d'Orsay and pinball games; weekday leftovers were eaten while three-star chefs debated a "culinary crisis." As Gopnik describes in this funny and tender book, the dual processes of navigating a foreign city and becoming a parent are not completely dissimilar journeys--both hold new routines, new languages, a new set of rules by which everyday life is lived. With singular wit and insight, Gopnik weaves the magical with the mundane in a wholly delightful, often hilarious look at what it was to be an American family man in Paris at the end of the twentieth century. "We went to Paris for

---

a sentimental reeducation-I did anyway-even though the sentiments we were instructed in were not the ones we were expecting to learn, which I believe is why they call it an education."

*Flâneuse* Createspace Independent Publishing Platform

A New York Times Bestseller "Sciolino's sharply observed account serves as a testament to...Paris—the city of light, of literature, of life itself." —The New Yorker Elaine Sciolino, the former Paris Bureau Chief of the New York Times, invites us on a tour of her favorite Parisian street, offering an homage to street life and the pleasures of Parisian living. "I can never be sad on the rue des Martyrs," Sciolino explains, as she celebrates the neighborhood's rich history and vibrant lives. While many cities suffer from the leveling effects of

globalization, the rue des Martyrs maintains its distinct allure. On this street, the patron saint of France was beheaded and the Jesuits took their first vows. It was here that Edgar Degas and Pierre-Auguste Renoir painted circus acrobats, Emile Zola situated a lesbian dinner club in his novel *Nana*, and François Truffaut filmed scenes from *The 400 Blows*. Sciolino reveals the charms and idiosyncrasies of this street and its longtime residents—the Tunisian greengrocer, the husband-and-wife cheesemongers, the showman who's been running a transvestite cabaret for more than half a century, the owner of a 100-year-old bookstore, the woman who repairs eighteenth-century mercury barometers—bringing Paris alive in all of its unique majesty. *The Only Street in Paris* will make readers hungry for Paris, for cheese and wine, and for the kind of street life that is all too

---

quickly disappearing.

**Metro Stop Paris** Simon and Schuster

Part memoir and part visual journey through the streets of modern-day Paris, France, *A Paris Year* chronicles, day by day, one woman's French sojourn in the world's most beautiful city. Beginning on her first day in Paris, Janice MacLeod, the author of the best-selling book, *Paris Letters*, began a journal recording in illustrations and words, nearly every sight, smell, taste, and thought she experienced in the City of Light. The end result is more than a diary: it's a detailed and colorful love letter to one of the most romantic and historically rich cities on earth. Combining personal observations and anecdotes with stories and facts about famous figures in Parisian

history, this visual tale of discovery, through the eyes of an artist, is sure to delight, inspire, and charm.
