While Italian cinema has long been popular with international audiences, a surprising unfamiliarity remains regarding the rich traditions from which its most fascinating moments arose. Directory of World Cinema: Italy aims to offer a wide film and cultural context for Italian cinema’s key aspects, from political radicalism to opera, from the art house to popular cinema. Essays by leading academics about prominent genres, directors, and themes provide insight into the cinema of Italy and are bolstered by reviews of significant titles. From the silent spectacle to the giallo, the spaghetti western to the neorealist masterworks of Rossellini, this book offers a comprehensive historical sweep of Italian cinema that will appeal to film scholars and cinephiles alike.

Boitano's Edge John Wiley & Sons

The intersection between film stardom and politics is an understudied phenomenon of Fascist Italy, despite the fact that the Mussolini regime deemed stardom important enough to warrant sustained attention and interference. Focused on the period from the start of sound cinema to the final end of Fascism in 1945, this book examines the development of an Italian star system and evaluates its place in film production and distribution. The performances and careers of several major stars, including Isa Miranda, Vittorio De Sica, Amedeo Nazzari, and Alida Valli, are closely analyzed in terms of their relationships to the political sphere and broader commercial culture, with consideration of their fates in the aftermath of Fascism. A final chapter explores the place of the stars in popular memory and representations of the Fascist film world in postwar cinema.

In all languages, humans frequently use linguistic combinations called phraseological units (PUs) in communicative acts. These PUs are characterized by their institutionalized fixation and, in many cases, by their opacity. Traditionally, the work on phraseology has placed the emphasis on the total fixing of components and structures of verbal expressions. Variation in PUs is currently an uncontested fact and has been extensively studied and analyzed. In addition, in the case of languages like Spanish, English, French, spoken in many countries, new creations or diatopic variants arise. While these diatopic expressions have been collected or analyzed in their territory of influence, no comprehensive collection showing all the expressions and contrastive analysis to observe the similarities and differences between these diatopic creations with all their idiosyncratic and cultural references have been made so far. The content of this volume deals with numerous linguistic, lexicographic and translational problems in the context of language variation in general, as well as specifically related to diatopic variation. The aim is to make progress in these challenging and highly interesting areas which still pose many comprehension and translation problems.

THE ITALIAN CINEMA BOOK is an essential guide to the most important historical, aesthetic and

cultural aspects of Italian cinema, from 1895 to the present day. With contributions from 39 leading international scholars, the book is structured around six chronologically organised sections: THE SILENT ERA (1895–22) THE BIRTH OF THE TALKIES AND THE FASCIST ERA (1922–45) POSTWAR CINEMATIC CULTURE (1945–59) THE GOLDEN AGE OF ITALIAN CINEMA (1960–80) AN AGE OF CRISIS, TRANSITION AND CONSOLIDATION (1981 TO THE PRESENT) NEW DIRECTIONS IN CRITICAL APPROACHES TO ITALIAN CINEMA Acutely aware of the contemporary 'rethinking' of Italian cinema history, Peter Bondanella has brought together a diverse range of essays which represent the cutting edge of Italian film theory and criticism. This provocative collection will provide the film student, scholar or enthusiast with a comprehensive understanding of the major developments in what might be called twentieth-century Italy's greatest and most original art form.

The Encyclopedia of Italian Literary Studies is a two-volume reference book containing some 600 entries on all aspects of Italian literary culture. It includes analytical essays on authors and works, from the most important figures of Italian literature to little known authors and works that are influential to the field. The Encyclopedia is distinguished by substantial articles on critics, themes, genres, schools, historical surveys, and other topics related to the overall subject of Italian literary studies. The Encyclopedia also includes writers and subjects of contemporary interest, such as those relating to journalism, film, media, children's literature, food and vernacular literatures. Entries consist of an essay on the topic and a bibliographic portion listing works for further reading, and, in the case of entries on individuals, a brief biographical paragraph and list of works by the person. It will be useful to people without specialized knowledge of Italian literature as well as to scholars.

A Companion to Martin Scorsese A Companion to Martin Scorsese “This valuable book brings the exceptional scale of Martin Scorsese's film work into clear view. His achievements are monumental, and the essays collected in this work provide wonderfully detailed and vivid analyses of his oeuvre. A comprehensive study of the most exciting filmmaker working today.” Robert Burgoyne, University of St Andrews A Companion to Martin Scorsese, Revised Edition is a comprehensive collection of original essays assessing the career of one of America’s most prominent contemporary filmmakers. The first reference work of its kind, this book contains contributions from influential scholars in North America and Europe. The essays use a variety of analytic approaches to study numerous aspects of Scorsese’s work, from his earliest films to his place within the history of American and world cinema. They consider his work in relation to auteur theory, the genres in which he has worked, his use of popular music, and his recent involvement with film preservation. Several of the essays offer fresh interpretations of some of Scorsese’s most influential films, including Mean Streets, Taxi Driver, Raging Bull, GoodFellas, Gangs of New York, Hugo, and The Irishman. Others take a broader approach and discuss the representation of violence, ethnicity, religion, sexuality, gender, race, and other themes across his work. With insights that will interest film scholars as well as movie enthusiasts, this is an important contribution to the scholarship of contemporary American cinema.

In this comprehensive guide, some of the world's leading scholars consider the issues, films, and filmmakers that have given Italian cinema its enduring appeal. Readers will explore the work of such directors as Federico Fellini, Michelangelo Antonioni, and Roberto Rossellini as well as a host of subjects including the Italian silent screen, the political influence of Fascism on the movies, lesser known genres such as the giallo (horror film) and Spaghetti Western, and the role of women in the Italian film industry. Italian Cinema from the Silent Screen to the Digital Image explores recent developments in cinema studies such as digital performance, the role of media and the Internet, neuroscience in film criticism, and the increased role that immigrants are playing in the nation's cinema.

Primo è un ragazzo solitario e riservato. Nei momenti più bui della sua vita, si è sempre affidato alla scrittura per sfogarsi e andare avanti. Un giorno però ritrova una lettera scritta dal padre, prima che morisse, e le sue certezze si sgretolano. Deluso da tutto, afferra i suoi appunti e sale sul tetto del palazzo per farne un falò. Qui incontra Futura, una ragazza dall'aria ingenua e indifesa che, in piedi sul parapetto, sta per gettarsi di sotto. Primo non ha la vocazione dell'eroe, anzi il cinismo che lo contraddistingue lo porta a scrollare le spalle di fronte a quella scena, proseguendo nell'intento di bruciare gli scritti che per anni ha custodito nella sua stanza. Futura però aspettava solo qualcuno a cui aggrapparsi. Inizia così a essere una presenza fissa nella vita di Primo, che invece non vuole alcun legame con lei e deve barcamenarsi fra uno strano sentimento non corrisposto per D e il coinquilino, Elia, che si sta lentamente distruggendo a causa del vortice malato in cui il suo compagno Riccardo lo sta trascinando. Quando, una notte, Primo e Futura troveranno il corpo senza vita di una giovane ragazza, Primo capirà che rimanere uniti è l'unica possibilità per affrontare la vicenda e che è arrivato il tempo di agire.

Italian Cinema from the Silent Screen to the Digital Image Parlami d'amoreParlami d'amoreParlami d'amoreParlami D'amore and Other Love StoriesThe volume contains four tales about love---people searching for it, looking for it in all the wrong places, struggling to find it. The stories show that love is a power that makes us fight a system, cross borders, but also makes us do things we later regret. "Parlami d'amore" tells the story of a Polish girl's involvement with an Italian 'Casanova' and her subsequent search for the father of her son. "From Moscow with Love" is the cold war love story of a Swedish scientist and his Russian interpreter fighting the communist system. "From St. Petersburg without Love" is the story of love and betrayal of a Miami lawyer and a Russian musician set in the post cold war era. Finally, in "Prearranged Love" the Indian culture of prearranged marriages is confronted with the desire of two young people to be together.Parlami d'amore Mariù If you are looking for a spouse, then you need this book. Environmental and global outlooks are currently at the center of the most lively and urgent

international scholarship. This volume serves to overcome the self-referentiality of American studies by intersecting the study of American literature and history with the questions and concerns raised by these perspectives. It re-conceptualizes the mutual and shifting positions of center(s) and margin(s), and subject(s) and object(s) in terms of relation and an inclusive structure of relations based on an ecological ethics. The contributions here explore many methodological hypotheses, ranging from Christa Greve-Vollp’s work on eco-cosmopolitanism to Peter Bardaglio’s report on US climate activism, as well as the ecocritical and ecofeminist viewpoints of Scott Slovic and Greta Gaard respectively. In addition to contributing to academic discourse, the essays—written by both young and established international scholars, and coherently arranged into four thematic sections—explore topics that are of interest to the broader public. The issues discussed here include identity and new forms of belonging; migration and the environment; ecolanguage, ecopoetry and ecopoetics; translation and multilingualism; animal studies; environmental activism; shifting geographies; and ecofeminism.
