Following his depiction of Bosnia under siege in the much celebrated Sarajevo Blues, Semezdin Mehmedinovic ? now explores the vast space of his new continent. Mostly written in response...

Fatras City Lights Books
A wide-ranging study of Prévert's promethean imagination and creativity in the interwoven realms of theatre, film, poetry, art, photography, and song, Michael Bishop's Jacques Prévert seeks to

demonstrate the originality of a genial fabricator of image and word whose essential focus, unpretentious yet urgently felt, unintellectualised yet buoyantly and wittily intelligent, ever remains the quality of our daily being-in-the-world, the possibility of our self-transformation, the stunning availability - should we truly will it, and despite all that can weigh upon existence, above all ideologically - of joy and love and freedom.

Paroles De Jacques Prevert Ardent Media

A tender, moving, and multi-layered portrait of the pain, loneliness and permanent nostalgia of exile.

of the Year! A State of the Union from the nation's first Latino Poet Laureate. Trenchant, compassionate, and filled with hope. "Many poets since the 1960s have dreamed of a new hybrid art, part oral, part written, part English, part something else: an art grounded in ethnic identity, fueled by collective pride, yet irreducibly individual too. Many poets have tried to create such an art: Herrera is one of the first to succeed."—New York Times "Herrera has the unusual capacity to write convincing political poems that are as personally felt as poems can be."—NPR "Juan Felipe Herrera's magnificent new poems in *Every Day We Get More Illegal* testify to the deepest parts of the American dream—the streets and parking lots, the stores and restaurants and futures that belong to all—from the times when hope was bright, more like an intimate song than any anthem stirring the blood."—Naomi Shihab Nye, *The New York Times Magazine* "From Basho to Mandela, *Every Day We Get More Illegal* takes us on an international tour for a lesson in the history of resistance from a poet who

declares, 'I had to learn . . . to take care of myself . . . the courage to listen to my self.' In ways subtle and sometimes proudly loud, this book makes it clear exactly why Juan Felipe Herrera continues to be recognized and sought after for his work. You hold in your hands evidence of who we really are."—Jericho Brown, author of *The Tradition* "In *Every Day We Get More Illegal* Juan Felipe Herrera shows off all of his styles. These poems talk directly to America, to migrant people, and to working people. Herrera has created a chorus to remind us we are alive and beautiful and powerful."—José Olivarez, Author of *Citizen Illegal* "The poet comes to his country with a book of songs, and asks: America, are you listening? We better listen. There is wisdom in this book, there is a choral voice that teaches us 'to gain, pebble by pebble, seashell by seashell, the courage.' The courage to find more grace, to find flames."—Ilya Kaminsky, author of *Deaf Republic* In this collection of poems, written during and immediately after two years on the road as United States Poet Laureate, Juan Felipe

Herrera reports back on his travels through contemporary America. Poems written in the heat of witness, and later, in quiet moments of reflection, coalesce into an urgent, trenchant, and yet hope-filled portrait. The struggle and pain of those pushed to the edges, the shootings and assaults and injustices of our streets, the lethal border game that separates and divides, and then: a shift of register, a leap for peace and a view onto the possibility of unity. *Every Day We Get More Illegal* is a jolt to the conscience—filled with the multiple powers of the many voices and many textures of every day in America. "Former Poet Laureate Juan Felipe Herrera should also be Laureate of our Millennium—a messenger who nimbly traverses the transcendental liminalities of the United States to then speak from the body politic in confrontation with an enemy system that threatens the networks that make us ethical and humane. Every book he writes becomes his best book and this collection is no exception. He brings unity and vulnerability to this wide-ranging and prophetic

volume."—Carmen Gimenez Smith, author of *Be Recorder*
Life in Paris; or The adventures of a marquis City Lights Books

Boris Vian is a rare phenomenon. Nothing short of a national treasure in France, he is hardly known overseas. In his lifetime, he divided literary opinion with masterpieces that failed to sell and best sellers that caused outrage, trials and even deaths, including his own. As an impresario, he became the figurehead of the jazz scene that marked the French left bank at the end of the Second World War and was responsible for bringing Duke Ellington and Miles Davis to France. As a musician, he played his trumpet against the advice of cardiologists, sang pacifist songs before audiences of outraged patriots and, in passing, created French rock 'n' roll. Posthumously, he became known for his theatre,

film scripts and poetry as well as for his novels. And in May '68 he became a revolutionary icon.

Lumen Editorial

Jacques Prévert's poems have impressed generations of both young and old readers. This new edition has been revised and expanded to include newly translated poems. Prévert is the quintessential French romantic without being cloying or melodramatic. He wrote the scenario of "Les Enfants du Paradis" of Marcel Carné with actors Jean-Louis Barrault and Arletty thought by many one of the best classic romantic cinema. He uses a vast array of literary allusions, memories of the Resistance and dazzling puns but the writing remains simple, direct and unpretentious. Prévert's lyricism, wit and satire are to be savored. His work has inspired

such singers as Yves Montand. Many of his poems suggest melody and have become the lyrics of songs.

Words for All Seasons Editions Gallimard

Includes the French text, accompanied by French-English vocabulary. Notes and a detailed introduction in English put the poems in their social and historical context.

Paroles City Lights Books

The first English-language biography in more than two decades of the French writer, one of the great novelists of the twentieth century. Louis-Ferdinand Céline was one of the most innovative novelists of the twentieth century, and his influence both in his native France and beyond remains huge. This book sheds light on Céline's groundbreaking novels, which drew extensively on his complex life: he rose from humble beginnings to worldwide literary fame,

then dramatically fell from grace only to return, belatedly, to the limelight. Céline's subversive writing remains fresh and urgent today, despite his controversial political views and inflammatory pamphlets that threatened to ruin his reputation. The first English-language biography of Céline in more than two decades, this book explores new material and reminds us why the author belongs in the pantheon of modern greats.

Every Day We Get More Illegal City Lights Books

These versions are as entertaining and as instructive as their originals. They delight without damaging one's sense of a necessary strangeness. --Richard Howard.

Selections from Paroles Reaktion Books

Focusing on the career of the surrealist poet Jacques Prévert, this book explores the stylistic and thematic currents that prevailed in French films of the 1930s. Prévert's involvement with the surrealists, his contribution to the avant-garde theatre company

Groupe Octobre, and his unique collaboration with Marcel Carne are examined.

NYRB Classics Original Winner of the Nobel Prize in Literature In the Caf é of Lost Youth is vintage Patrick Modiano, an absorbing evocation of a particular Paris of the 1950s, shadowy and shady, a secret world of writers, criminals, drinkers, and drifters. The novel, inspired in part by the circle (depicted in the photographs of Ed van der Elst) of the notorious and charismatic Guy Debord, centers on the enigmatic, waiflike figure of Louki, who catches everyone ' s attention even as she eludes possession or comprehension. Through the eyes of four very different narrators, including Louki herself, we contemplate her character and her fate, while Modiano explores the themes of identity, memory, time, and forgetting that are at the heart of his spellbinding and deeply moving art.

Divine Blue Light (for John Coltrane) City Lights Books

The Italian film-maker Pier Paolo Pasolini was first and always a poet-the most important civil poet, according to Alberto Moravia, in Italy in the second half of this century. His poems were at once deeply personal and passionately engaged in the political turmoil of his country. In 1949, after his homosexuality led the Italian Communist Party to expel him on charges of "moral and political unworthiness," Pasolini fled to Rome. This selection of poems from his early impoverished days on the outskirts of Rome to his last (with a backward longing glance at his native Frill) is at the center of his poetic and filmic vision of modern Italian life as an Inferno. Pier Paolo Pasolini was born in 1922

in Bologna. In addition to the films for which he is world famous, he wrote novels, poetry, and social and cultural criticism. He was murdered in 1975.

Palabras Gale and the British Library

The hidden history of a vulnerable gay man whose life and death were turned into tabloid fodder. In the early 1990s, eight people living in a small conservative Florida town alleged that Dr. David Acer, their dentist, infected them with HIV. David's gayness, along with his sickly appearance from his own AIDS-related illness, made him the perfect scapegoat and victim of mob mentality. In these early years of the AIDS epidemic, when transmission was little understood, and homophobia rampant, people like David were villainized. Accuser Kimberly Bergalis landed a People magazine cover story, while others went on talk shows and made front

page news. With a poet's eulogistic and psychological intensity, Steven Reigns recovers the life and death of this man who also stands in for so many lives destroyed not only by HIV, but a diseased society that used stigma against the most vulnerable. It's impossible not to make connections between this story and how the twenty-first century pandemic has also been defined by medical misinformation and cultural bias. Inspired by years of investigative research into the lives of David and those who denounced him, Reigns has stitched together a hauntingly poetic narrative that retraces an American history, questioning the fervor of his accusers, and recuperating a gay life previously shrouded in secrecy and shame. "Much too long, suffering has been part of our collective queer legacy. We weather the storm of insult to character and seemingly irreconcilable injustice in tandem with

the hope that the arc of time will bend towards justice; our time is now. A Quilt for David is a posthumous journal of vindication."—Brontez Purnell, author of *100 Boyfriends* "A stunning homage to people with AIDS."—Sarah Schulman, author of *Let the Record Show: A Political History of ACT UP New York, 1987-1993* "I found this an incredibly moving book. Reigns deals in hard truths, revisioning one man's life and death, and our collective queer history."—Justin Torres, author of *We the Animals* "A Quilt for David is amazing and so powerful, filled with anger and frustration . . . It's an unforgettable book."—Marie Cloutier, Greenlight Bookstore, Brooklyn, NY "Told in short, occasionally haiku-like entries, Reigns has done what literature should: put the reader into the mind, the suffering, of another human being."—Andrew Holleran, author of *Chronicle of a Plague*,

Revisited "Steven Reigns lifts David Acer thirty years after his death to show the naked cost of violent, unexamined public opinion around the catastrophe of AIDS. This poetry masterfully documents the tangle of hatred and lies haunting a generation of survivors. I am often grateful for what poems give to me, most especially the ones in this book."—CAConrad, author of *AMANDA PARADISE: Resurrect Extinct Vibration* "This writing is energetic, alive, and uncensored. Through poetry and prose we glean a deep understanding of a life misunderstood and mischaracterized. Reigns goes to the mat to find out what really happened, and with his expert pacing we're right there with him."—Natalie Goldberg, author of *Writing Down the Bones* "One of the most important roles a poet can assume is that of emotional historian. Reigns certainly understands that notion in this necessary and genre-bending book."—Richard Blanco, 2013 Presidential Inaugural Poet, author of *How to Love a Country* *Blood and Feathers* Boa Editions Moving, sexy, and archly funny, Gina Apostol 's Philippine National Book Award-winning *Bibliolepsy* is a love letter to the written word and a brilliantly unorthodox look at the rebellion that brought down a dictatorship Gina Apostol 's debut novel, available for the first time in the US, tells of a young woman caught between a lifelong desire to escape into books and a real-world revolution. It is the mid-eighties, two decades into the kleptocratic, brutal rule of Ferdinand Marcos. The Philippine economy is in deep recession, and civil unrest is growing by the day. But Primi Peregrino has her own priorities: tracking down books and pursuing romantic connections with their authors. For Primi, the

nascent revolution means that writers are gathering more often, and with greater urgency, so that every poetry reading she attends presents a veritable “ Justice League ” of authors for her to choose among. As the Marcos dictatorship stands poised to topple, Primi remains true to her fantasy: that she, “ a vagabond from history, a runaway from time, ” can be saved by sex, love, and books.

Bibliolepsy Rodopi

Gathers a selection of the French writers poems, which make use of surrealism, puns, and literary allusions.
